

17th September 2019

Dear Parents and Carers,

Jeans for Genes Day – Friday 20th September

We are inviting all of our children and staff to wear jeans this Friday, in return for bringing in a donation towards 'Jeans for Genes'. If you have not got jeans other bottoms will do!

The Charity raises money to support children and families affected by genetic disorders, of which there are around 6,000. It is estimated that one in 25 children is affected by a genetic disorder. In addition, 30,000 babies and children are newly diagnosed in the UK each year.

This is a charity very close to our hearts. We suggest a donation of £1 per family to wear non-school uniform, however more or less is fine.

Yours sincerely

Mrs Edwards
