

2nd March 2020

Dear Parents/Carers,

All Saints Marsh runs a Marathon!

We are all very excited about Sports Relief 2020 and our whole school challenge to run a whole marathon! On Thursday 12th March we are asking that each KS1 child runs (jogs or walks) 400m and each KS2 child runs (jogs or walks) 800m. If each child takes part we will have ran 26.22 miles which equates to a whole marathon! Every child will also receive a medal for participating! Weather permitting we are planning to do this after lunch on the field or in the MUGA. I have attached a sponsorship form and it would be great if family and or friends could sponsor your child(ren) to take part in this challenge and raise money for this worthwhile cause which raises money to help vulnerable people in both the UK and the world's poorest countries.

Yours sincerely

Mrs Edwards
