Dear Parents and Carers,

As you are aware, the Government believes that it may be in a position to implement a phased re-opening of schools from 1st June. This will start with pupils of critical workers, pupils in Nursery, Reception, Year 1 and Year 6 only. They will make a final announcement on the 28th May.

We are currently carrying out risk assessments to evaluate if and how we can do this safely. In order to help our planning we would appreciate it if you could complete this short survey to give us an indication of numbers of pupils that would be attending.

Please can you let us know, by indicating on the form, if you intend to send your children during the second half of the summer term. You will need to complete this form **for each child** you have in our school within these year groups.

If your child does not meet any of these criteria, please do not fill in the form.

You only need to complete this survey if:

- You have been classified as a critical worker by the government - please check guidance <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>
- Your child has a social worker
- You have a child in Reception
- You have a child in Y1
- You have a child in Y6

Thank you for your support and can I yet again reassure you that any decisions we make about opening will be based on safety.
