

18th May 2020

Dear Families,

Welcome to English and storytelling week!

The learning for English and storytelling week is intended for all our children, from Early Years up to Year 6, however our younger children might need more support from older siblings or adults.

In your storytelling booklet, there are seven different activities for seven days of storytelling fun! The children will need to use their creative imagination, drama skills and communication skills. They will be able to create and tell their own stories using props from around the house.

In your English booklets, there are a range of activities. Some tasks will involve daily participation whilst others can be dipped in and out of throughout the week. There are two different English booklets, one for EYFS and Key Stage 1 and another for Key Stage 2.

You can choose to participate in all of the activities, or you may wish to do one or two from each of the booklets. Whilst you are doing the activities, please take lots of photos/videos and send them into us. We would love to see your amazing storytelling, writing and creativity!

Have a fabulous English and storytelling week and we look forward to seeing and hearing how you get on.

Best wishes,

The All Saints Marsh Teaching Team
