

Welcome to Forde class 2020-2021

Hello everyone! My name is Miss Robertson and I will be teaching in EYFS and Year 1 in September. I'm really looking forward to being part of the All Saints Marsh team and getting to know all of the wonderful children and families. When I'm not at school, I enjoy spending time with my family and having lazy days on the beach - if the weather allows it! I also enjoy running and I love to run along the sea front to admire the beautiful views. I can't wait to meet you all!

You can just use the templates and ideas below as a guide, feel free to draw your own templates or print the templates.

Who are you?

I would like you to draw a self portrait to really show me who you are inside and out! Each and every one of you are unique and have a variety of talents to share with me.

Quiz time!

Let's see if you can tell what each picture is! Send in your responses and we shall see who gets the most correct answers. You need to look carefully to recognise what it is. Could you take some close up pictures of something we all know and see if we can recognise it? We could put a new quiz together for september!

Your classroom

Now is your chance to design your dream classroom! I will take a look and try to incorporate your fantastic ideas...

Have you always wanted to have a swimming pool in the corner? Would you like a chocolate fountain in the corner or a sweet bar along the back? It's completely up to your creations, but you must tell me why you would like them!

I'm sure yours will be even more inventive than mine!

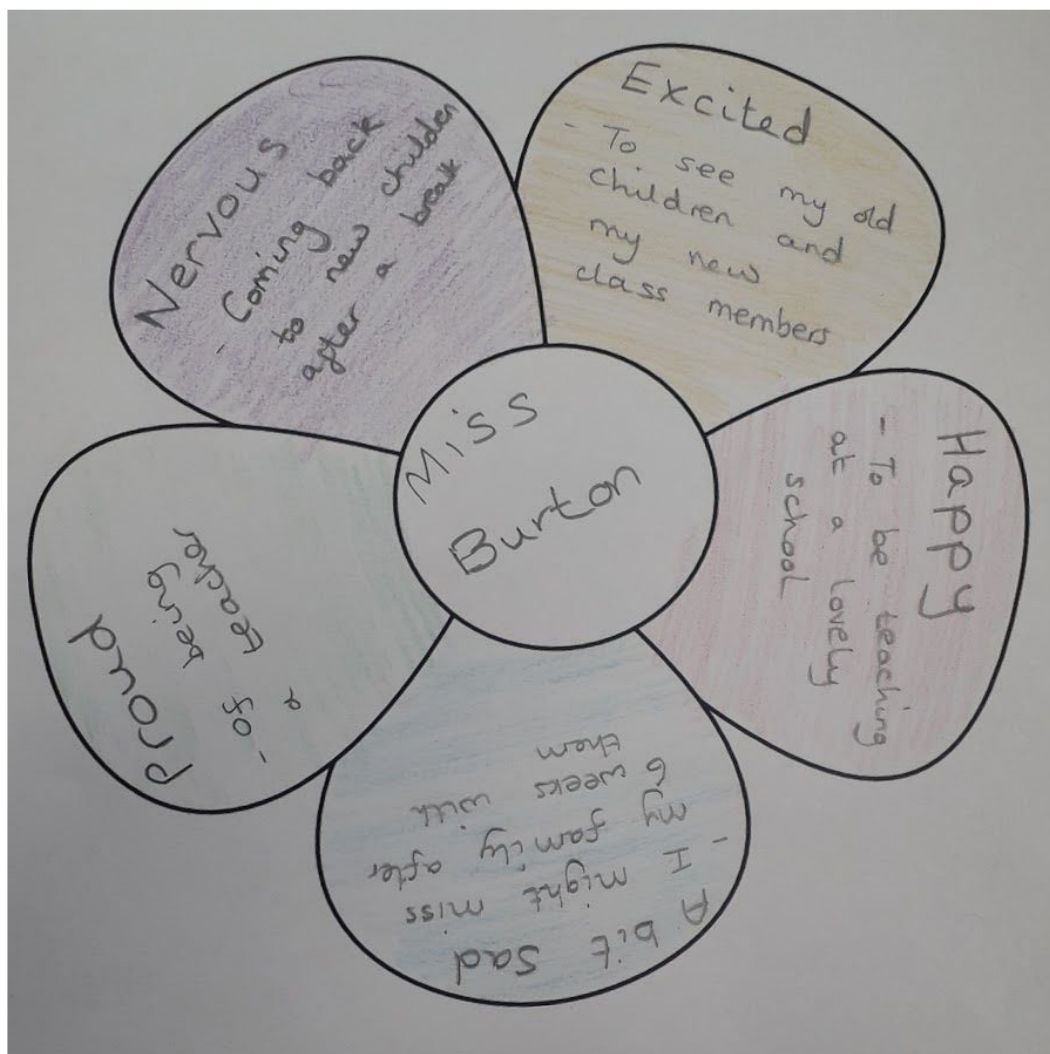

Make a Pet to look after for the summer!

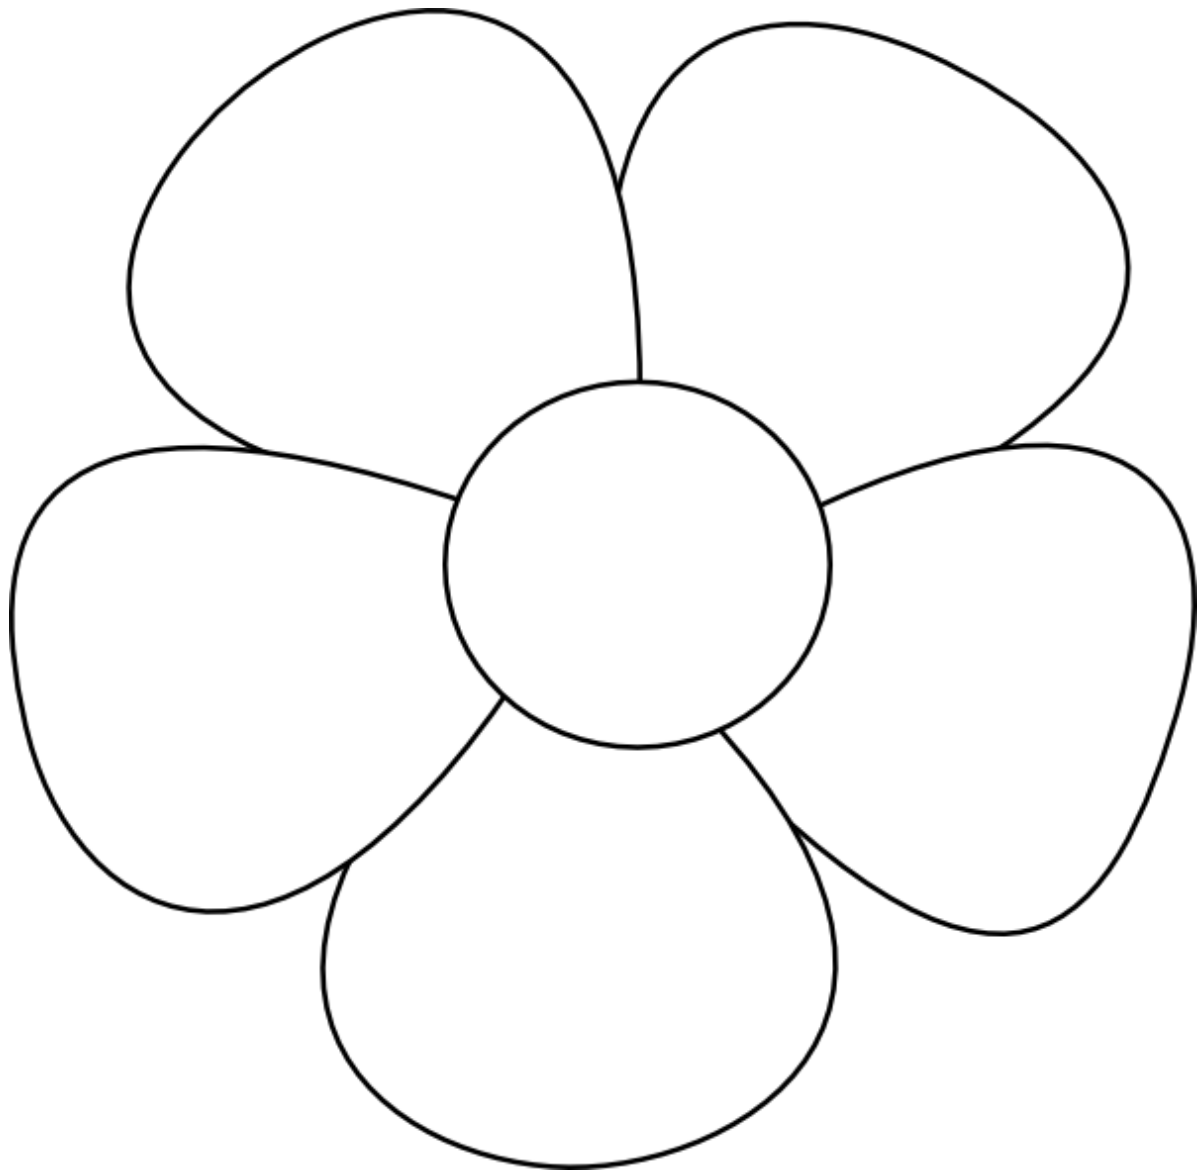

I would love to see what your dream pets would look like. I expect lots of you already have a pet, but sometimes we would like more! Have a go at making one out of recycled materials.

How are you feeling?

I expect you are feeling lots of different emotions about coming back to school. Some of you haven't been able to be in school since the lockdown began. It's ok to feel a mixture of feelings, and if you tell me I can look out for it in September to help you feel settled quickly. Here is Miss Burton's example!

What are your favourite lessons and what are you looking forward to learning about?

My favourite lessons are...

I'm a bit nervous about these lessons...

Trusted 5!

This activity is for you to think of 5 people that you trust to help look after you and keep you safe. Hopefully, once we are all back together in September I will become that safe person for you in school.
