## Top 10 National Pupil Progress

DFE PERFORMANCE TABLES 2018 AND 2019

20<sup>th</sup> November 2020

Dear Parents and Carers,

I would like to take the time to once again thank you for all of your support as we have returned to school this half term and then entered a second national lockdown. Thankfully schools were able to stay open for all children this time and your support has ensured that we have been able to continue safely so that our children can continue to learn and flourish. The children are happy and the school often feels like an oasis of calm in this uncertain time.

I do hope that you enjoy, as much as I do, reading the class newsletters that are jam packed with all the wonderful learning your children have been doing in school. If you would like to read other class letters and see what other year groups have been up to then they are all available on our website. Facebook and Twitter also have updates on school events and what the children have been up to.

We have been fortunate to benefit from the Trust investment in Covid catch up funding and are delighted to welcome Mr Chadwick and Miss McGovern to support teaching at our school to enable us to develop teaching and learning for all our children. Our teachers are regularly meeting with our nine other schools in the Trust to plan our wonderful curriculum alongside english and maths interventions which really benefits our small school but also enables our brilliant experienced teachers to support other schools and share ideas.

I would like to take this opportunity to draw your attention to this link for our Parent Questionnaire: [ASM Parent Questionnaire.](#)

Could I ask that you please take the time to follow this link which will take you to an electronic form where you can input your responses to the questions asked. This feedback is so important for us as a school as it really does help us to continue to develop and move forwards. It also ensures that you are able to share your thoughts with us and that you can be confident that your views have been expressed.

The deadline for responses to the questionnaire is **Friday 11th December 2020.**

If you have any questions regarding this or you are not able to access the form then please do email the school office at [allsaints@lapsw.org](mailto:allsaints@lapsw.org) and myself or Mrs. Webber will be more than happy to support you.

Best wishes,

*Mrs. Edwards*
