COVID-19: Tiered Approach

Summary of Catch Up Premium Spending

The Learning Academy Partnership's response to COVID-19 and the potential impact on pupils is underpinned by: The EEF Guide to Supporting School Planning: A Tiered Approach to 2020-21. This tiered approach is built upon the principles that focuses on high quality teaching, targeted academic support and wider strategies.

Each Academy has published its Tiered Planning approach on their websites. This document outlines how the funding has been allocated in order to deliver the published plan.

Expected Funding Allocated to Learning Academy Partnership: £105,880

Tiered Approach	Allocated Funding and How it Achieves the Approach	Funding
High Quality Teaching	Additional Teacher Cover: In order to respond to teacher absence in the event of COVID isolation or sickness related to COVID-19, this funding ensures that the continuity of teaching is not disturbed as teaching will continue.	£10,924.20
High Quality Teaching Targeted Academic Support	2 School Improvement Capacity Teachers: In order to close the gaps, the highest quality of teaching is required. The School Improvement teachers provide capacity to release leaders to work alongside teachers and support staff to improve teaching and learning and support curriculum design to address gaps In addition to this the school improvement capacity teachers provide support cover for teachers so that the class teacher can provide targeted academic support to close gaps.	£77,309.54
Wider Strategies	Safeguarding and Family Support Worker: To respond to the impact of Covid-19, particularly the most disadvantaged, additional capacity has been added to the safeguarding umbrella of support to ensure children are safe, can attend school and are in a good place to learn. This capacity supports families and children in order for them be able to access education and be able to close the gaps. In addition, this provides further capacity to the Trust wide safeguarding lead to ensure all children are supported be able to learn.	£17,646.26
