Dear Parents and Carers,

The nasal flu vaccination session at your child's school is taking place soon. If you have not yet consented, and would like your child to have the immunisation, please complete the link below today so that this does not get forgotten or missed.

We would urge you not to miss this opportunity as we are getting a lot of parents approaching the team after the date of the school sessions having missed the deadline to consent. Although we have Community Clinics, due to Covid restricting the number we can vaccinate at those Clinics we have very limited spaces available and are having to prioritise those that are medically vulnerable or were absent.

If you have any queries or need support to complete the electronic consent, please call our team on 0300 247 0082.

The link to complete the electronic consent is:
