Top 10 National Pupil Progress

DFE PERFORMANCE TABLES 2018 AND 2019

18th December 2020

Dear Parents,

In addition to the end of term newsletter, I wanted to take this opportunity to provide you with information regarding what to do in the event of your child receiving a positive Covid-19 result.

Positive Cases Discovered During the Christmas Break

If your child develops symptoms and **subsequently tests positive for COVID within 48 hours of leaving school on the 18th December**, please inform the school through our admin email allsaints@lapsw.org. We will be regularly checking this account and should we have a positive test during this period, we will be actively supporting the 'Track and Trace' system to inform any families whose children may need to self-isolate.

If a child tests positive for the virus having developed symptoms **more than 48 hours after leaving school on the 18th December, you do not need to contact the school.**

If Your Child has to Isolate During the Christmas Break

If, during the Christmas period, your child is informed that they need to isolate due to contact with a positive case, then it is imperative that this isolation is completed. Any return to school should not happen until the isolation period is complete. If the child is well, then learning will be set online through Google Classroom or Tapestry for the children in the EYFS.

National Christmas Guidance

We have been asked to share the following information with you. More detailed information can be found at <https://www.gov.uk/guidance/guidance-for-the-christmas-period>

From 23 December to 27 December, you may choose to form a [Christmas bubble](#).

- *A Christmas bubble will be able to spend time together in private homes, including second homes and caravans, to attend places of worship, or meet in a public outdoor place.*
- *If you do form a Christmas bubble, you should not meet socially with friends and family you do not live with in your home or garden unless they are part of your Christmas bubble.*
- *In all other settings, people should follow local restrictions in the [tier](#) in which they are meeting.*
- *If you do not form a Christmas bubble, you should continue to follow the guidance for the tier you are in.*

From 28 December, you must follow the guidance for the tier in your area. Christmas bubbles will no longer apply.

I hope that you all have a safe and wonderful Christmas and we all look forward to seeing you in the New Year for the Spring Term, starting on Monday 4th January.

Best Wishes

Mrs. Edwards
