DfE PERFORMANCE TABLES 2018 AND 2019

8th January 2021

Dear Parents and Carers,

The DfE Mobile Network Offer temporarily increases data allowances for mobile phone users on certain networks*. This is so that children and young people can access remote education if their face-to-face education is disrupted.

Our school can request mobile data increases for our children and young people who:

- do not have fixed broadband at home
- cannot afford additional data for their devices
- are experiencing disruption to their face-to-face education

If you are eligible, please complete the form below by Monday 11th January 2021.
