School: All Saints Marsh C of E Primary School	Risk Assessor: Head of Academy Mrs Edwards and Trust Health and Safety Lead
Description of Risk Assessment	Assessment of risk involved in the closing of schools to children during the third national lockdown. From the 5th January 2021, only children whose parents are critical workers or have been identified as vulnerable can attend school. Other children must stay at home and access learning remotely. Schools must work through the System of Controls and adopt measures which address the risk of opening for some groups of children and delivering a curriculum. The System of Controls are actions that schools must take and are grouped into 'prevention' and response to infection'.
