DFE PERFORMANCE TABLES 2018 AND 2019

12th March 2021

Dear Parents and Carers,

Comic Relief - Friday 19th March 2021

Please join us in supporting Comic Relief in school on Friday 19th March. The theme this year is Superhero's. The children are invited to dress up as their favourite superhero. It could be an actual superhero, or someone they have thought highly of and have used their superhero powers during the pandemic for example a nurse, parent, friend, relative, teacher or the bus driver.

For those children who do not wish to dress up, they are welcome to come in their normal clothes, as we think all the children have been their very own superheroes during the pandemic. We will be making and decorating our own superhero masks for the children to wear if they wish.

We appreciate that the last 12 months have been a challenge but if you wish to donate to this very worthy cause, we suggest a £1 donation per family. Please bring your donations in a named sealed envelope and pass to your child's Teacher. To find out more about where the money raised goes to and who it helps please visit [Comic Relief](#)

If we've learnt one thing from the last 12 months, it's that life is unpredictable. One thing we can always rely on is the superpower of laughter! We are also asking if each child would like to bring in a joke that to read out to the class, so we can all have a good laugh together whilst also raising money for Comic Relief. We will also have prizes for the best joke in each class! We would like to collate all the jokes into our very own All Saints Marsh joke book which we will sell during the coming weeks to further raise money for Comic Relief. The joke book will also be placed into our very own COVID time capsule which the children are currently working on. The time capsule will be opened by the children of the future at All Saints Marsh Academy in 10 years time. The children have been writing postcards to the future about their experiences during the pandemic, as well as 'freezing memories' by creating things that represent the lockdown.

Regards,

Mrs Edwards
