Your child has been allocated a place at All Saints Marsh Church of England Academy. To support you and your child get ready for September we have organised a number of welcome events. We recognise that this is a big leap for your child and these events help us all get to know each other a little better.

We will of course respond to any current COVID-19 restrictions and whilst we hope that most of the events can take place face to face we may need to carry out some virtually. We will let you know as we get nearer to the time.

### **What is The Learning Academy Partnership?**

It is a Multi-Academy Trust which means we are a group of schools who are in partnership together to ensure that we can provide an even better educational experience for your child. Sometimes Multi-Academy Trusts are just called Trusts.

Trusts are in fact charities and we are governed by charitable law. The Trust is given one task: **to advance education for the benefit of the public interest.**

Our family of schools (Trust) was established in 2012 and we are now a family of 10 academies across Devon and Torbay. We have a single mission which is: working together to transform children's lives through the education we provide,

My role is Chief Executive and it is my job to ensure that our schools work closely together to provide the very best education to the children in the communities that we serve. I ensure that we focus our resources on ensuring that the children have the very best curriculum and that we support every child, no matter which school they attend. My role is to ensure that every single member of staff puts children first in all that they do.

Our schools are all very successful and this is due to the dedication and expertise of an exceptional team of staff who are completely committed to improving opportunities for your child. The support of our parents, trustees and our colleagues, both teaching and non-teaching staff, from across the Learning Academy Partnership is key to this success.

If you have any questions or concerns in the meantime, please do not hesitate to contact the Academy office on 01626 365293 or email [allsaints@lapsw.org](mailto:allsaints@lapsw.org)

Finally, we are delighted to welcome you and your family to All Saints Marsh C of E Academy

Mrs Secker, who has been appointed as Head of Academy from September 2021, and the early years team look forward to meeting you at the official welcome event.

Yours sincerely

Miss T Cleverly

Chief Executive
