Spending Overview:

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTION	IMPACT SOUGHT	OUTCOME OF FUNDING
Using local PE support offer from The Spires College	£8900	£8900	To develop the quality of existing PE teaching through continuing professional learning in PE for staff, so that all primary pupils improve their health, skills and physical literacy, and have a broader exposure to a range of sports. Competitions for able and gifted pupils to provide opportunities to engage in competitions with other talented sports pupils locally. Promotion of healthy lifestyles through eating, keeping safe and physical fitness	All teachers have received quality CPD through trained experts providing excellent PE sessions and planning. Teacher feedback reflected the high quality of PE on offer for the children. Teachers feel empowered to continue delivering high quality PE sessions through an engaging and inspiring PE curriculum. Virtual

			<p>and raising of self-esteem. To assist schools, parents and children in understanding and valuing the benefits of high quality PE and sport, including its use as a tool for whole school improvement. Support from sports leaders in school and events such as Sports Day. Increased opportunities for talent spotting across a range of sports, raising expectations of the children. Spires coaches providing one full day per week of PE, plus an additional after school club. after school club Teachers have access to external CPD sessions to ensure they have the knowledge and skills to deliver high quality CPD back in school and to support teachers in their delivery of PE lessons</p>	<p>school competitions held by Spires in which all children in the year group participate regardless of prior experience. Teachers have been supported throughout Lockdown to adjust PE sessions to the new government measures, focussing on physical activity and pupil well-being. Running the after school clubs free of charge has broken down the barriers for families unable to afford for their child to attend; this had a positive impact on both the physical and social development of our pupils.</p>
Life Education Workshops	£355	£355	<p>Foundation Stage and Key Stage 1 (Reception to Year 2) they learn about keeping their bodies healthy, feelings, being a good friend and the safe use of medicines. At Key Stage 2 (Years 3 to 6) the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including medicines, alcohol and tobacco. In addition, children learn about choices that can affect health and well-being, skills of friendship and how to cope with bullying and peer pressure. Annual Life Education visits in classrooms will enable children to be better equipped to make healthier lifestyle choices. Teachers have access to specialised PHSE planning through the SCARF programme that is provided by Life Education.</p>	<p>Children have built upon prior learning and can talk confidently about the importance of healthy eating, fitness and wellbeing. Children understand the importance of healthy life styles and the impact it has on their long term health. They are able to make more informed choices about healthy eating, fitness and their emotional well-being. The children engaged with their virtual Life Education session and were able to discuss the key learning from the session. The children understand the importance of mental wellbeing. They were able to discuss the benefits of</p>

				mindfulness and perform some mindfulness activities
Equipment	£1.050	£985	To continue to enable children to access high quality equipment and resources to facilitate their learning. To continue to improve pupil's confidence and their physical and emotional wellbeing. To learn new skills and knowledge, which build upon prior learning	Essential equipment purchased to enable children to access a wider curriculum. Multipurpose equipment purchased to enable children to access a range of sports during PE lessons.
After School Clubs: Enriched Curriculum incorporating physical and mental wellbeing.	£1,920	£1,920	Further develop opportunities for children in Reception -Year 6 to engage in sports and opportunities for developing physical and emotional wellbeing and healthy living outside of school time. A range of clubs to be offered which will include sports and physical activity that children may not be able to engage in within the local area. Increased opportunities for PE/Sport both after school and at lunchtime will give increased opportunities for children to develop their health and fitness and mental health and wellbeing. Clubs, which are free to parents, providing children with opportunities to excel in different sports and providing PP children with the same opportunities as their peers. Children will be provided with opportunities to develop their skills from an early age which will, in turn, allow them to continue to develop their fluency in this area as they progress through school.	Clubs have included the 'Rainbow' wellbeing club to support mental health. Healthy Eating Club where the children have discussed healthy choices and learnt how to cook them. Team building clubs to support relationships and mental health and physical health. For EYFS and KS1 fine motor skills and physical development in craft building. Running the clubs free of charge continued to enable all children to attend. This has had a positive impact on both the physical and social development of our pupils. As a result of COVID restrictions and our schools own risk assessment, clubs were not able to take place until the summer term of the year

				and some clubs unable to run by outside agencies.
Forest School Sessions	£4, 320	£4, 320	To have the opportunity to access, enjoy and learn from the natural environment of in our sister academy, Dunsford Community Academy grounds, led by a trained forest school leader. Inclusive, adapted sessions to enable all children to participate. Increased opportunities for children to develop context specific outdoor skills to enable them to fully access an alternative environment than they live in. Promotion of a healthy, active lifestyle and the opportunity to nurture mental well being by being outside in the natural environment of the school grounds. To develop skills of collaborative working within a variety of contexts. To develop skills and knowledge within the wider curriculum, making meaningful links to curriculum areas covered within the classroom.	Due to partial school closures and covid restrictions and the risk assessments for both schools the forest school sessions at Dunsford Academy did not take place this year. The children were able to access the local park in the second half of the summer term to promote healthy active lifestyle and give the children to be outside as much as possible with space to explore and introduce new experiences including circus skills to learn to collaborate and gain new skills and develop confidence and self esteem
