Dear Parents and Carers,

I hope you all had a lovely half term! It has been wonderful hearing what everyone got up to over the week.

The children have jumped straight back into their learning and have blown me away with their writing. We have been using the book 'Little Red Reading Hood' to inspire our writing. This week we have been creating a sinister setting description by using the weather to change the mood of our story.

As geographers, we started our geography learning by exploring atlases! We looked at different types of maps you can find in an atlas. Next we looked at differences and similarities. We noticed that different maps showed different countries and different scales.

In P.E., we have started our gymnastics learning. We tried to remember all the different gymnastic shapes and then had a go at making them in small groups.

### For your information:

On the 19<sup>th</sup> of November, year 6 pupils are organising Pudsey day, where they have prepared a fun run activity linked to the *Children in need* charity. Don't forget to wear spots and bring in a donation of £1 to help support the charity. We cannot wait to have fun while showing our well-needed value of compassion.

This week's 'Words of the day' are:

**grave, charm, silence, figure, silhouette.**

The children have enjoyed learning a new word every day. We will continue with this short but fun activity daily and throughout the year. Remember, you can always write down new words in your reading logs so that you can refer to them in your writing.

Miss Massey
