DFE PERFORMANCE TABLES 2018 AND 2019

15th November 2021

Dear Parents and Carers,

Templar Trip to Decoy Country Park

On the 6th of December 2021, Templar class will be heading to Decoy Country Park for an exciting outdoor lesson. As part of our school aims of reaching out to the community and landing a hand where it is needed the most, the children will participate in sowing wildflower seed across a strip of grassland slope between the football pitches at Decoy for the benefit of pollinator species.

This will be followed by a nature walk around the lake where the children can learn about classification of plants and animals and a little bit about the history of Decoy Lake. This learning will bring together all the wonderful topics that the children have covered in Geography, History and Science across the years.

We will be aiming to leave All Saints Marsh at 11.00am in order to walk and arrive at Decoy Country Park at or before 11.30am. The session will be two and a half hours along so we will be able to finish at 2.00pm in order to return to school in time for pickup at 3.00pm. Because of the timings, may I ask that all children bring a packed lunch so that they have it while at Decoy. If your child is entitled to FSM, please ensure you can order the picnic bag option on Edu Spot. Children will also need to bring sensible outdoor clothing, a warm coat (waterproof if possible) and walking shoes instead of school uniform.

If you have any questions or queries please do not hesitate to contact me.

Regards,

Mrs Babbage
