Building Lifelong Foundations Together

Remote Learning

Check your Google classroom for this week's home learning.

Star of the week!

Star of the week:

James

For being consistent with home learning and for always going above and beyond.
Well done 😊

Dear Parents,

This week, Templar have been continuing with their gymnastics by performing their sequences to each other. They observed and gave feedback by thinking about the good things they noticed, then they gave constructive feedback in the form of a point of improvement. We are continuing to explore vocabulary everyday in class so please make sure that the your reading records are being completing weekly to show that you are reading at least three times a week.

We were also excited to make some links with Dunsford by creating some Christmas cards for them. Each child in school received a name and created a card to spread some Christmas cheer. We also made sure to show compassion by remembering those who may be alone around this time by creating some more Christmas cards for the residents at Somerforde house in Newton Abbot.

On the 9th of December, which is next Thursday, is Christmas jumper day. Children can come in their favourite jumpers and if they would like to have a Christmas dinner, please make sure to order in advance on Eduspot. If you have questions regarding this, please let us know.

If you are self isolating/ are waiting for your results and are feeling well, please note that there is work on the Templar Google classroom that you can complete. There will be three pieces of work for each day: Maths, English and another curriculum subject. If you have any questions about logging onto Google classroom or accessing any learning, please let us know and we will provide you with the right information.

**Kind regards
Mrs Babbage**

A note from Mrs Secker

'Building Lifelong Foundations Together'

We are now two weeks away from the end of term and the magic and excitement of Christmas is easy to feel in school! The sound of singing and laughter can be heard throughout the school. Staff are working hard to put together a Christmas film for you all to enjoy at home! The nativity and Christmas songs are nearly ready for filming!! We are so sad that you can't be with us to enjoy the festivities in person but we promise to have lots of magical fun.

I have set the children a little challenge today!! We are really focusing on reading for pleasure and developing an understanding of what we like to read and who writes our favourite stories!! Children have been challenged to find out the name of their favourite author and be able to tell their teacher about the books they write!! They may ask you who your favourite author is too!!

Thank you once again to you all for following our current strict COVID measures. We have managed to slow the spread in school and this means we can be together again after Christmas.

Have a lovely weekend.

DATES FOR YOUR DIARY

Thursday 9th December – Christmas School Dinner. The yummy menu is available to book via Edu Spot. It would be lovely for all the children to join us and have a celebration dinner together.

Thursday 9th December – Christmas Jumper Day

**Thursday 16th December – PTFA School Disco and MUFTI Day - (CLASS BASED ACTIVITIES)
£3.50 per child to include a drink, snack and small toys.**
