

KS1 SPRING TERM 2022

RWInc

KS1 will be continuing on their RWInc journey this term and they will be exploring new sounds within a range of books. As they progress they will move through the colours. Within every subject there will be the opportunity to apply their sounds within writing.

MATHS

Within Maths this term KS1 will be learning the key fundamentals of number and place value before using these skills to solve multiplication and division problems.. KS1 also use the Numbersense maths programme to help embed the key skills to develop fluency..

RE

We will be exploring the Islamic faith and what that means to Muslims as well as looking at what they key elements are that make up the Islamic faith. We will then be exploring what Christians believe God is like.

SCIENCE

KS1 will be exploring Winter and how it changes our environment. We will then be investigating Living things and their habitats.

HISTORY

As Historians, KS1 will be exploring significant people focusing on Isambard Kingdom Brunel. They will look at the impact he had on Newton Abbot and transport in the area.

PE

In PE, KS1 will be exploring movement through gymnastics. This will be followed by dance where they will be building a sequence of movement.
