Home Learning

Continue reading regularly and recording it in your reading journal.

Design a new logo for the PTFA!

Stars of the week!

This week my star of the week is **Claudia** for her wonderful contributions to our class discussions this week!

My value star this week is **Amber** for having the **courage** to try reasoning questions!

Reading award!

Marley is my reading star of the week for his enthusiasm to show Mrs Armstrong his improvement!

PE superstars

This week's PE superstars are **Isaac** and **Keziah**!

Dear Parents and carers,

It is the end of another busy half term where I have enjoyed watching the children progress and grow in confidence! Despite being the last week of half term, we have been finishing off our learning and showing off everything we have learnt.

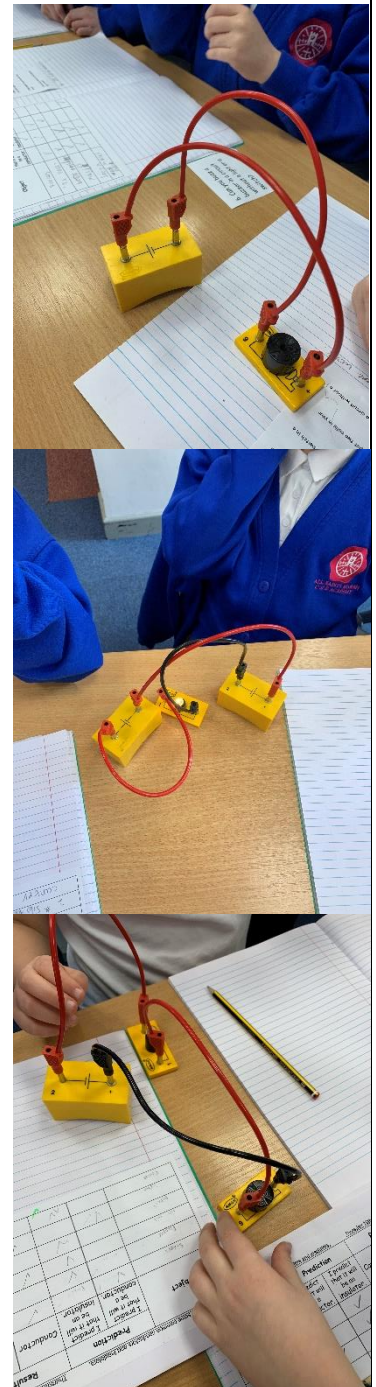

In maths, we have completed our multiplication and division learning. The children were able to apply their knowledge of place value to understand the concept of exchanging to quickly grasp their learning this week! After half term we will be learning about length, perimeter and area before moving onto fractions.

In science, I challenged the children to set up a range of tests to answer questions about circuits. There were some wonderful scientific discussions and lots of excitement to be trying different ideas!

This week the children took part in the Spires Badminton Festival! It was fantastic to see everyone focus and work on their Badminton skills. The activities included having to land the shuttlecock on different targets and hit the shuttlecock through a hoop!

Have a wonderful half term holiday and I look forward to seeing you all on Monday 28th February.

Miss Massey

Our PTFA (Parent, Teachers and Friends Association) are looking to create a new logo and they are inviting the children to design one! All entries will be judged by our School Council and there will be a prize for the winner! So have a think about what your PTFA does for our school like: subsidises trips, hosts the Summer and Xmas fetes, buys play equipment for the children, discos, crafting events and lots more! Be as creative as you like! All entries in by **Friday 11th March**.
