## Building Lifelong Foundations Together

### Remote Learning

Check your Google classroom for this week's home learning.

### Star of the week!

Star of the week:

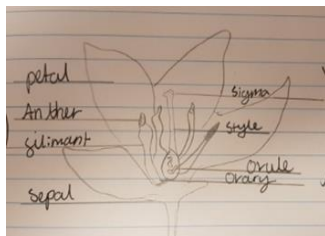

**Leila**

For marvellous independent writing that carefully pick the intended vocabulary and achieved cohesion.  
Keep it up 😊

### Dear Parents,

This week at All Saints Marsh, we celebrated National Story telling week by sharing stories, discussing our favourites and finding new entertaining ones. We looked at books, film and plays. The children got to listen to retellings of some great stories and even had a go at reading out loud to each other. This was as a great opportunity that tied in perfectly with 'reading for pleasure' project' that we have been working on with the children. Thank you to the children who have been attending morning maths. The club has been successful so far and the children are showing an improved confidence when tackling some year 6 SATs questions. A text was sent last week to remind year 6 children attending the second group to arrive promptly in order to start the club at 8.30. If you have any questions, please let me know and I will be happy to answer them.

Next week, some of the children in Templar class will be heading to Dunsford to play football with the children there. We cannot wait to represent All Saints Marsh Academy by showing great sportsmanship and also by showing off our sports skills that we have learnt so far. We look forward to this friendly opportunity to connect with our sister school. A few photos from this week: we explored all the different parts of Creation that we came across in Psalm 8. We then explored flowers and their parts in Science:

### REMINDERS:

Please make sure that all children bring in a **water bottle each day** to ensure that they keep hydrated. Children should also **have coats**, preferably waterproof, at all times to keep dry and warm in these winter months. All **snacks should be healthy**. This includes fruit, yogurt, vegetables and healthy fruit/cereal bars.

**Kind regards  
Mrs Babbage**

### A note from Mrs Secker:

This week we have enjoyed National Storytelling Week. The children have shared their favourite stories and listened to members of our Trust family read theirs. It's been a wonderful opportunity to enthuse children to live reading! We are also excited to let you know that we are going to be re-designing the library space to make it a more warm and inviting place to enjoy a book.

Thank you once again for your ongoing support in what are really challenging times in schools. We are dealing with very high levels of staff absence due to COVID across the Trust. There may be times when

learning interventions cannot take place and responses to phone calls and emails take us a little longer. Fingers crossed that things will ease as the weather warms up.

### **Dates for your Diary**

8th Feb – Year 4 and 5 Aesthetic Festival at ASM 9.30 – 11.30

8<sup>th</sup> Feb – Year 5 and 6 (selected students) to play football at Dunsford Academy
