Learning

Check your Google classroom for this week's home learning.

Star of the week!

Star of the week:

Year 6s

Well done for being resilient this week and completing your mock SATs. You are all showing marvellous progress! Keep it up 😊

Dear Parents,

It's the last week of the term and I would like to thank you all for your support and help with home learning, reading at home and practising times tables. It does make a difference in the children's learning and as a result, they are all making progress in their individual ways. Well done to the Year 6s for completing mock SATs this week and for trying their best in all papers. The children carried out three papers, which were: 3 Maths, 2 spelling and grammar and 1 reading. It is lovely to see their confidence grow as they learn more through the year. The actual SATs tests will be on the 9th of May 2022.

Morning Maths will continue after half term so please make sure that the children in group one still arrive at 8.30 while the second group will be expected to promptly arrive to start the maths group at 8.30. These sessions are encouraging the children to quicken their problem solving pace while also building their confidence. For those who were unable to make it on time, you are still welcome to arrive later as every little helps. Please continue to practise times tables on TT Rockstars at home.

Thank you to Mr Kirk for amazing PE sessions this term and for the after school clubs. The children enjoy PE and always look forward to these sessions. I hope that you manage to all have a break next week and find time to do the things that make you happy. Be kind to yourselves and also make sure that you relax! See you soon and happy half term!

Our PTFA (Parent, Teachers and Friends Association) are looking to create a new logo and they are inviting the children to design one! All entries will be judged by our School Council and there will be a prize for the winner! So have a think about what your PTFA does for our school like: subsidises trips, hosts the Summer and Xmas fetes, buys play equipment for the children, discos, crafting events and lots more! Be as creative as you like! All entries in by **Friday 11th March.**

**Kind regards
Mrs Babbage**
