Home Learning

Continue reading regularly and recording it in your reading journal.

Design a new logo for the PTFA!

Stars of the week!

This week my star of the week is **Lexi W** for her fantastic maths work this week!

My value star this week is **Vanessa** for her **love** and enthusiasm towards her geography learning.

Reading award!

Cody is my reading star of the week for regularly reading at home and bringing his reading journal in!

PE superstars

This week's PE superstars are **Freddie C** and **Keira!**

Dear Parents and carers,

I hope you all had a restful half term despite the wet and windy weather! We have had a lovely week back as we have started to explore our new learning.

In RE, we will be looking at Islam and this week we explored what it is like for a Muslim to follow Allah. We tried moving across the classroom with our eyes closed in a range of different ways. First with no help, then with verbal instructions and finally being guided by the hand. We discussed how Muslims believe God is guiding them through life.

In Geography, we will be learning about rivers and how they link to the economy. This week we located rivers in the UK using a map. There was lots of fantastic discussion as the children worked out where to put the rivers on their maps.

It has also been World Book Day this week! The children had a story from Mrs Secker, a virtual meet with Cedar Class at Dunsford as well as opportunities to share their stories with each other.

Have a restful weekend,
Miss Massey

Message from Mrs Secker

A stunning world book day. Thank you all for your efforts in making the children so excited about books and reading!
