Dear Parents,

What a lovely first week back! I hope you all had a great half term break.

We have had a super busy week this week introducing all of our exciting new learning topics!

As geographers, we will be learning all about the UK this half term and the seas that surround us. This week, we learned about the four countries and their capital cities and located them on a map. Forde and Bradley class love geography and I'm so glad that they are confident in retrieving the learning that we have done previously in geography!

World Book Day was such a success this week! Thank you to all parents/carers who went to such efforts to ensure their child looked the part and had such a wonderful day! The children looked fantastic and had such a fun day! I think the highlight for me was the giant 'Where's Wally?' we did on the playground! Have a look on our Twitter to see if you can spot all of them!

Oxford Owl home learning will be set today and we expect all children to complete both the online reading AND the quiz **at least once in the week**. Your child also brings home a Read Write Inc 'Book Bag Book' which we expect to be read **at least three times a week** by your child and recorded in the reading journal. A 'reading for pleasure' book (chosen by your child) is to encourage a love of books and stories and would need to be read by an adult/older child as these are not typically phonetically decodable!

Have a lovely weekend,
Miss Robertson
