## Building Lifelong Foundations Together

### Remote Learning

Check your Google classroom for this week's home learning.

### Star of the week!

Star of the week:

**Sam**

For being a great friend on the playground and in class. Well done for looking out for others.

Keep it up! 😊

Dear Parents,

I hope that you all had a marvellous week. The children have been trying their best to walk/jog/run everywhere to raise money for Ukraine. Some have even decided to walk to school. Each class has a signing in sheet, where the children are recording their name and miles that they have walked that day. Thank you for all your help and participation by buying our Ukraine ribbons. The children continue to show our school value of compassion by giving and reflecting on the world around them.

In English, we have been planning our biography on David Attenborough by researching his life and exploring all his marvellous adventures that he has been involved in over the years. We will then be moving on to choosing the best facts and including them in our biographies. Both year groups have been thinking about sentence structure and great vocabulary that best grabs the readers' attention and keeps them reading. Please ensure that the children are reading at home as least three times a week to help them to continue enhancing their vocabulary.

Please ensure that all year 6 children arrive in school at 8.30 where possible. This allows time for Maths revision sessions, which are encouraging the children to be more confident in answering SATs questions. There will be a virtual SATs meeting soon, which will outline the day and what the children need to be doing in the mean time. If you have an questions about this year's SATs, we will be able to answer them. We look forward to hopefully seeing all the year 6 guardians virtual on Thursday the 7<sup>th</sup> of April at 2.30pm. You can copy and paste the following link into your browser to join the meeting. I will also post the link on Google classroom:

[meet.google.com/oms-hswt-xwu](https://meet.google.com/oms-hswt-xwu)

Here are some images from the week, where we create some Easter hats:

**Note:** there is a questionnaire about 'After School Club'. Please respond by 6<sup>th</sup> of April to show whether you need this provision.

Kind regards  
Mrs Babbage

2nd November – Individual Photos (AM)

### **Message from Mrs Secker**

One more week left of the spring term and despite some chilly mornings, the sunshine has most certainly lifted the spirits at ASM. The children have absolutely loved getting outside for PE lessons and spending time on the playground with our new breaks and lunchtime equipment.

Next week we are so excited to be able to get together at church for our Easter church service. There is much excitement about the Easter bonnet parade!

Today sees the start of new living with COVID advice from the government. Whilst rules are relaxing, we still have a duty of care to our families and staff. Our Trust team will be carefully reviewing the new guidance and we will be in contact soon to update you. In the mean time please continue to keep your child at home if they are symptomatic or have a positive LFT.

Have a wonderful weekend in the chilly spring sunshine.
