We have also attached our school handbook with all the key details that you need to successfully transition your child into the school. Your child will be provided daily with a school lunch for free. Our school lunches are created by our talented kitchen team, who only use the highest quality ingredients, sourced locally where able, and cater for all dietary requirements. Please see attached to this email a sample Summer menu. You can choose your child's meal each day and there are plenty of options from hot meals to packed lunch, salad and wrap options.

When your child starts in September, they will have the opportunity to attend full time. To ease the transition in the first week, we will be opening the gate for longer to give you and your child quieter times to settle if they need them. The gate will be open from 08:30 until 09:30 for Reception children. Please ask your class teacher in your face-to-face meeting if you have any concerns about your child's transition into school. If you would like to find out more about our wonderful school, please find more information on our [reception webpages](#) or visit our school [Facebook](#) and [Twitter](#) pages.

We look forward to meeting you and your child.

Kind regards

Mrs Secker
