Star of the week!

Star of the week:

Templar Class

For representing the school on an outing and for having the courage to try new things! 😊

Well done!

Dear Parents,

Templar class had quite an adventurous week that involved climbing on two different outings that occurred this week. The children practised their courage by having a go at various climbing activities that tested their strength and sometimes endurance. It was lovely to see the children come out of their comfort zone and try something new. Both year groups enjoyed the day and I'm sure would love to try these activities again. In

PE, we practised some athletic events for sports day and we cannot wait to share the day with parents for the first time since the pandemic. The day for sports day will follow soon.

As it is nearing the end of the year, the children are completing their writing final pieces that will mark their final assessments. We will also be writing reports soon, which you will receive in June 2022. There is much to celebrate as the children have learnt so much and have a lot to be proud of this year. Next week is our Decoy trip so please ensure that all Templar pupils bring a packed lunch as we will be having our lunch at Decoy Country Park. It will also be a non-school uniform day as we will be doing some nature walks so please ensure that the children wear old clothes and trainers.

Reminders:

There are a few events that are happening in the next coming weeks of the current term and Summer 2. Here are the dates of some notable events:

Templar Decoy trip- 26th May

Jubille Cake sale- 27th May

There will be a leavers' service at St Paul's church on 22nd July at 2pm term and a year 6 Leavers' mini performance in school on 18th July at 2.15pm The year 6 children will have songs to learn and will need to practise them at home in order to learn the words in time for the performance.

**Kind regards
Mrs Babbage**

Message from Mr Thorne

The children have had an exciting week, with Year 4,5 and 6 going on a climbing trip at Dyno Climb. We were all super impressed with their resilience, perseverance and channelling their inner Alex Honnold to scale the walls! We have been getting creative preparing for our Queen's Platinum Jubilee celebration next week. We have all made crown and are looking forward to our street style party lunch. You are all invited to join us after school at the Bradley bake sale to share a yummy treat and a cup of tea or coffee. All proceeds will go towards the PTFA. Our Italian themed day was 'delizioso' and the children enjoyed tasting the different pasta sauces.

Luna has settled in very well and she continues to bring joy to all and has especially enjoyed listening to the stories read by the children.

We are really looking forward to the KS1 Paignton Zoo trip next week. Please ensure you pre order your child's packed lunch on Edu Spot. It would be nice for you have to have chat with your children about the animals they will see at the zoo beforehand, there is plenty of fun facts and information of the Paignton Zoo website [Paignton Zoo - A Wild Day Out For The Whole Family](#).

Summer 2 is a super busy term, so please spend a few moments checking out the dates for your diary below.

Have an enjoyable weekend.
