As a school, we work closely with parents, families and the local community to provide an exciting curriculum so that our children can be the best that they can be, live life to the full and play a genuinely transformative role in society.

Our academy is served by the dedication and expertise of an exceptional team of staff who are completely committed to developing outstanding practice, shared expertise and improving opportunities and life chances for children. As a parent, you can be assured of personal and academic excellence for your child within a caring, fun, and inspirational curriculum.

We value the unique insight that parents can provide into their children's learning and acknowledge that learning begins and continues in the home environment, we look forward to working in partnership with you and seeing your child thrive.

Our communication with you and your child over the coming months is very important to us to ensure we can build a relationship that will support your child's transition into school.

We will be in touch to collect information so that we can register your child and please do not hesitate to contact us if you need any support with this.

As part of our transition programme we will arrange a 1 to 1 meeting with our Early Years teaching team so that we can get to know your child and plan their transition into school together. We will also outline opportunities over the Summer for you to visit school and attend school events such as our Sports Day and Summer Fayre as part of our school family.

Finally, I would like to thank you for choosing All Saints Marsh C of E Community Academy and the Learning Academy Partnership. We are fully committed to working in partnership with you to ensure your child has the best possible start to their primary education.
