

20th March 2023

Dear Parents, Carers and Families,

Headship Appointment at All Saints Marsh C of E Academy

As you know, we have been in the process of appointing a substantive Headteacher here at All Saints Marsh. We were thrilled to have had such interest in our school with a very strong field of candidates visiting the school and then applying for the post. They could really see the big heart of everyone here at ASM and the wider community.

Last week, we held a day of interviews and tasks for the shortlisted candidates, and I am writing to let you know the outcome of this. We are excited to tell you that Mr Liam O'Sullivan will be the new Headteacher at ASM from September 2023.

Mr O'Sullivan is an experienced school leader and brings with him a wealth of knowledge and expertise in primary schools, particularly Early Years. I'm sure the children will tell you how much they enjoyed meeting Mr O'Sullivan as he led an inspirational and engaging worship with the message of 'sharing God's love'. This truly made a difference to the children and on Monday this week, they could tell me all about their learning from this and the impact it had on them.

I have been made so welcome by the whole community in my role as interim Headteacher role here at All Saints Marsh and I know the community will make Mr O'Sullivan just as welcome. I will have the pleasure of working over the coming term to support the transition to Mr O'Sullivan starting in September. I will continue to be a part of the ASM team too in the Autumn, as I work alongside to support and ensure continuity with our work this year.

It is with great pleasure I introduce myself as the new Headteacher of All Saints Marsh C of E Academy. I will be joining you at the beginning of the next academic year and can not wait to get to started. I am excited to join such a warm and welcoming Academy and bring my experiences in Education to All Saints Marsh. Every time I have visited I have been made to feel very welcome and the caring, nurturing ethos of the school is evident.

I have worked in education with children varying from ages from 6 months up to 16 and am dedicated to improving the lives of all young people I am privileged to work with. I am married with two young boys who are our pride and joy.

FLOURISHING FUTURES

I look forward to getting to know each and every one of you and I assure you that your children will be at the forefront of everything that happens at All Saints Marsh Academy. I believe that every child can thrive and achieve great things and will ensure that together we will continue to make All Saints Marsh Academy a place where our students flourish and grow.

I will be coming into school and attending some school events over the next few months and can't wait to get to know the children, parents and staff

I know that you will join me in welcoming Mr O'Sullivan to the very special All Saints Marsh community at Easter.

Best wishes

Tracey Cleverly
