

PE & SPORTS GRANT INFORMATION 2022-23

Academy	All Saints Marsh C of E Academy
PE and Sports Premium Grant	£17,000

Spending Overview

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

Intent statement

As well-rounded, active citizens, our children will feel a sense of belonging by immersing themselves in a wide range of physical activities. The PE curriculum will enable children to use movement confidently, developing respect for themselves and each other and a positive sporting attitude. A physically demanding and challenging curriculum inspires all to succeed and excel, developing both physical and mental health and wellbeing. Opportunities for positive competition in sport and other activities build character and self-discipline whilst encouraging them to continue to have an active lifestyle beyond their school life.

Key indicators PE and sport premium will be used to secure improvements in the following 5 key indicators:

1. Increased confidence, knowledge, and skills of all staff in teaching PE and sport
2. Engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole school improvement
4. Broader experience of a range of sports and physical activities offered to all pupils
5. Increased participation in competitive sport

Intent	Cost	Finding Contribution	Implementation and Impact Sought
<p>Using local PE support offer Kinetic, including lunchtimes and after school clubs.</p> <p>Key Indicator 1, 2, 3, 4,5</p>	£6,895	£6,895	<p>Continuous development of high-quality PE lessons supported by a specialist Sports coach from Kinetic Sport and additional support from PE lead. This will include continuous CPD, teaching alongside teachers and staff. This will empower staff to consistently deliver high quality lessons confidently, which will ensure all children have the opportunity to improve their physical and mental wellbeing and physical literacy through a broad range of sports, clubs and extra-curricular activities.</p> <p>Specialist sports coaching and PE lessons with Kinetic Sports coaches will include additional provision for after school clubs, which will mean a huge increase in participation and availability for many more children. This will increase physical and mental wellbeing and allow children to access a wider range of sports and activities.</p> <p>Through an increased provision of after school clubs and some targeted to PP and SEND children this will improve engagement and focus. Improving motivation, self esteem, own personal development and will teach them strategies to enable them to learn social skills, teamwork, and leadership. In addition to this, children who need additional support with developing both gross and fine motor skills, have had additional development from specialist PE coach.</p> <p>The PE coach will be able to identify less active children, deliver and supervise games during play times in a positive and fun way engaging more children in physical activity during these times. Using specialist equipment to encourage positive team building for happier and healthier playtimes, improving both physical and mental wellbeing.</p>
<p>Coram Life Education, RHE</p> <p>Key Indicator 3</p>	£270	£270	<p>Relationship and Health Education has been developed by RHE lead alongside the Head of Academy and other staff across our whole school Trust. Teaching of this curriculum linked to PE and health and fitness, between both progression of skills and knowledge in PE and RHE implements a consistent and in-depth teaching and understanding in the importance of living a healthy lifestyle. Coram Life Education supports the implementation and resourcing of this curriculum. Through taking part regularly in physical activity, eating a balanced diet, getting sufficient sleep, balancing and regulating emotions, and other commitments, making time for</p>

			relaxation, having good personal hygiene, avoiding harmful risks, e.g., smoking, drinking alcohol, and taking drugs, children will lead a healthy lifestyle.
Sport and outdoor education equipment and resources Key Indicator 1, 2, 3, 4	Equipment £5,100	£5,100	Pupils to access opportunities to stimulate physical movement and wellbeing within the school environment during social times. Ensure PE equipment is of high quality to support both indoor and outdoor PE.
Additional / partnerships with local sports Key Indicator 1, 2, 3, 4	Tennis £175 Cricket £0	Tennis £175 Cricket £0	To increase participation in community based sports and increase links with sports partners. Through specialist coaching with professional Tennis Coach at specialist facilities, children make good progress with their hand eye co ordination, dynamics movement and racket skills over the course of the training. This included highly vulnerable pupils. Pupils to take part in community Cricket festival, alongside pupils from Primaries in Newton Abbot. Increase sports participation for all pupils, increased awareness of community groups and engagement in community event.
Y6 Swimming	£684	£0	To enable all students to meet the aims of the National Curriculum of being able to swim 25 metres and perform life-saving skills so that by the end of the year, pupils can: -swim competently, confidently and proficiently over a distance of at least 25 metres? -use a range of strokes effectively [for example, front crawl, backstroke and breaststroke? -perform safe self-rescue in different water-based situations?
Forest School and equipment Key Indicator 1, 2, 3, 4,5	£4,560	£4,560	Investment in continuing professional development modules and resources for the forest school lead and teachers to develop skills and expertise in delivering cross curricular outdoor learning. This will encourage outdoor adventurous activities such as Orienteering, which will develop children's skills in map reading, navigation, communication, and collaboration as well as their agility and endurance. OAA will be delivered across the whole school at an age-appropriate level delivered by the Forest school lead, with ongoing CPD for teachers and support staff this will improve all children's fundamental skills, develop a broader range of skills and be able to implement these in a range of activities both individually and as part of a team. Additional equipment will also add a broader range of Forest school lessons from den building, planting, bug hunting, wood carving to bushcraft and more.
