Home Learning

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday**

Dear Parents and Carers,

Wow, what a jam-packed week we have had! We are so proud of all the children for their amazing performances in the Harvest Festival service at the church yesterday. They did an excellent job at remembering all the words to the songs and sitting beautifully – well done Forde Class!

It has been so nice to see all the Fruit and Veg animals coming in – there are some very creative entries this year! Thank you for all your hard work on these, they have certainly put a smile on our faces!

Star of the Week:

In Maths this week we have continued our focus on Addition – with the Year 2 children bridging the 10 gap. Year 1 children have had a go at using bar models to find the number bonds to 10. Reception children

Hendrix – for being a valued member of Forde Class!

have been watching Number Sense Maths videos – focusing on the ‘oneness of one’!

Next week is the last week of the first half-term and I look forward to seeing you all at Parents Evenings. The last day of term (Friday 20th October) is non-school uniform day. The children can wear whatever they fancy but please bear in mind that they will be using the outdoor area and we also have PE on that day (Princess dresses may not be a good idea!).

Have a lovely weekend,

Mrs Perry-Bates

MESSAGE FROM MR O’SULLIVAN

Harvest Festival

We want to extend our heartfelt gratitude to all of you for joining us at the Harvest Celebration in the church and for everyone who supported their children to learn their words or helped them with songs. The children's performances were outstanding, showcasing their talent, hard work, and enthusiasm. Harvest is a time to reflect on abundance, gratitude, and sharing, and the message was beautifully conveyed by our children. Your support means the world to us, and we couldn't be prouder of how well the children represented the school.

Curriculum Focus – that the children have been learning this week?

Alongside preparing for our Harvest Festival the children have also been working hard in all areas of the curriculum. Templer have researched prominent figures Emmeline Pankhursts and Millicent Fawcett and their impact on the Suffragette movement to then go on to write biographies next week. This research has really inspired our children and it was wonderful to see all of Templer Class engaging in discussion about the impact they had on our lives today.

This term's Christian value which we have focused on has been trust. We have explored how this is all visible in the way in which the children treat each other on a daily basis. We see trust in the way our teachers and students have worked together to create a nurturing environment where everyone feels safe to learn and grow. Trust, as a Christian value is not just a concept, it underpins the foundation of All Saints Marsh and the relationships we hold dear.

Parent and Carer Feedback Survey

Just finally I would like to give all parents and carers a reminder that our parent feedback survey is open, and we welcome your thoughts on your child's experiences at All Saints Marsh.

We are seeking your valuable feedback to help us to continue to build a positive learning environment where all our children flourish. Your feedback will help us to gain a better understanding of your views on your child's experience in school and hear your thoughts about being part of a family of schools, so we can see how we are doing and recognise opportunities for improvement. The anonymous feedback survey can be accessed by scanning the QR code. The survey opens on **Monday 6th October** and close on Friday 20th October. Link to survey for parent/carers to complete:

Christmas Toy Appeal

As in previous years, the Salvation Army have kindly offered to help families in need this Christmas.

They will be concentrating on Toys and aim to provide 3 items for each child plus a selection pack and copy of their Children's Christmas comic. They try and tailor the presents, so it would be helpful to know about the children's special interests or disabilities/allergies if they have any, dinosaurs, cars etc. or requires toys with no sound effects/tactile etc. They also need to know the age and gender of the children.

If you would like Mrs Webber to make a referral, please let her know her by 1st December. They will also need your name and family postcode which will be treated in the strictest of confidence and for that reason we do ask for your permission to share this information.

Action for children Devon Childrens Centres are offering a selection of webinars and online events – Please see a link for the collection [HERE](#) – Webinars and bite sized events will be added to this collection on an ongoing basis.
