Star of the Week:

Dear Parents and Carers,

Firstly, I would like to say well done to all the children for working so hard over the last seven weeks! I have been so impressed with their perseverance and hard work and it has been lovely to see the progress they have made in such a short space of time. Well done to Reception children in particular for settling into life at school so well! I am very proud of all of you!

It was fantastic to see so many parents this week at Parents Evenings. Over Half Term it would be great if children could watch Phonics videos via the QR codes that I sent out or on the Seesaw app. No reading books this week as children are moving into new RWInc groups in the first week back. The local library has decodable books available if you would like to keep up momentum with reading over the week off.

Theo – for being so engaged with all areas of learning.

This week in Maths, Year 1 and 2 children have begun to focus on Subtraction. They have been using manipulatives to help them solve subtraction problems. Reception children have been continuing to count carefully and sing number songs.

Enjoy the week off! The children have certainly earned a rest!

Many thanks,

Mrs Perry-Bates and Miss Rippon

MESSAGE FROM MR O'SULLIVAN

I am thrilled to be able to reflect on a wonderful half term filled with remarkable dedication to learning displayed by our children. Their hard work and boundless energy have been truly inspiring, and we couldn't be prouder of their achievements. We eagerly await the start of the new half term and look forward to welcoming you all back on Monday, October 30th.

The Year 6 Residential has taken place this week where some of Templer Class enjoyed thrilling activities like balloon splash, archery and the high swing as well as a 2-night stay in Torquay. Despite the wet weather, their spirits remained high, and every child exemplified exceptional behaviour and a positive attitude making us all extremely proud. The children have reflected how much they enjoyed being away with our friends at Ellacombe Academy and we're looking forward to doing more together in the future.

We are excited to share with you a valuable resource that offers a glimpse into the heart of our primary school experience at ASM. Our curriculum is the foundation of your child's educational journey, shaping their growth, knowledge, and skills. By clicking on the provided link [Our School's Curriculum - All Saints Marsh C of E Academy \(allsaintsmarsh-lap.co.uk\)](http://allsaintsmarsh-lap.co.uk), you'll have the opportunity to explore the subjects, activities, and learning opportunities that underpin every day at our school. We believe that a strong curriculum is the heartbeat of all our children flourishing.

Sponsorships for the PTFA Fun Run on 2nd November

A reminder that our children are all invited to take place in the Fun Run on 2nd November. This event is hosted by the PTFA and is another opportunity to raise funds to further support our children.

We have received some wonderful feedback from THAT Foodbank which we wanted to share with you..

Our thanks to all the staff and pupils who contributed to your wonderful harvest donation. It is so good to know that young people recognise that there are many people who are struggling to be able to put meals on their tables.

As you know, the cost-of-living crisis continues which sadly means we are seeing an increasing number of people needing our support. At the same time, food donations are decreasing meaning we need to buy-in more products to maintain our stock levels.

We are so appreciative of all those individuals and organisations who continue to support us – both with food and finances – without this generosity we could not assist those in greatest need in the local area. Should your organisation know of any individual/family in need of assistance please do not hesitate to contact us with their details and we will be happy to help.

With thank

Yours sincerely

Hazel Harrison (Secretary)

On behalf of THAT

FAMILY SUPPORT

Christmas Toy Appeal

As in previous years, the Salvation Army have kindly offered to help families in need this Christmas.

They will be concentrating on Toys and aim to provide 3 items for each child plus a selection pack and copy of their Children's Christmas comic. They try and tailor the presents, so it would be helpful to know about the children's special interests or disabilities/allergies if they have any, dinosaurs, cars etc. or requires toys with no sound effects/tactile etc. They also need to know the age and gender of the children.

If you would like Mrs Webber to make a referral, please let her know her by **1st December**. They will also need your name and family postcode which will be treated in the strictest of confidence and for that reason we do ask for your permission to share this information.

Household Support Fund

I am pleased to announce that we have access to further funding to support families on low incomes to support with food and utility costs. This is through the Household Support Fund, which Early Help are administering locally. The scheme runs from October 2023 to end of March 2024. Funds are limited, so when the allocation is used up, the fund will close.

Through this fund, Early Help is able to provide a grant per family to support with:

- Food
- Supporting for energy and water bills for household purposes
- Essential white goods such as a fridge, freezer, or cooker
- Consideration for petrol for essential journeys

This Fund is NOT able to provide funds for the following, which is NOT an exhaustive list:

- Washing machines
- Driers
- Beds / Furniture
- School Uniform

You will need to meet the following criteria: - You are a family (at least 2 people where at least 1 person is either pre-birth or up to 18 years old) – You are experiencing financial hardship – You need financial help to pay utility bills or buy food and essential items linked to food, warmth, and utilities for your family – Not have received financial assistance from another source for the same reason

If you are eligible and would like to apply to the fund, please contact Mrs Webber.
