Home Learning

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday**

Dear Parents and Carers,

What a strange week! I hope everyone was safe on Thursday in the storm, and that the home learning was useful. I missed the children on Thursday but glad that no one was put at risk by venturing out in the terrible weather!

The children in Year 1 and Year 2 have started their Geography lessons this week and have been learning about the countries that make up the United Kingdom. They were able to label a map with the country names and the Year 2 children even labelled the capital cities of each country!

Star of the Week:

In Science we have continued our learning around our topic of 'Animal Safari'. The Year 1 and 2 children were able to fill in a Venn diagram of

Marisela – for working so hard this week on her writing!

carnivores, omnivores and herbivores. We were all surprised to find out that hedgehogs are omnivores!

Maths this week has been focused around subtraction. Subtraction is always a bit trickier than addition but the children coped really well with the challenge and have found different methods to subtract a number from another number. Reception children have enjoyed Maths games with Miss Rippon this week, and have been practising showing numbers on their fingers. I wonder if they can show numbers in different ways?

Next week, weather permitting (!) we will have our Fun Run which was postponed from this Thursday. Thank you so much for the donations we have already had – Forde Class alone has raised well over £100! The money will be put towards days out and experiences for the children so we look forward to seeing what the PTFA can put into place!

See you all on Monday,

Mrs Perry-Bates and Miss Rippon

MESSAGE FROM MR O'SULLIVAN

It has been a fantastic first week of the new half term despite the impact of storm Ciaran with the children settling back into their learning beautifully. In Templar the children have been focussing on writing with detail and I have included an extract from Hettie's writing which I am sure you will all agree has you hooked from outset.

"I'm bored and isolated, the bedroom seemed to wail with despair. The only glow of light was streaming out of a TV. The left hand wall paper formed unknown creatures that scuttled down the wall like spiders"

Commissioning Service 14th November

On the 14th November at 1.30pm the children and the staff team will be attending a service at St Paul's church led by Reverend Gareth. This service is a headteachers commissioning service and is being hosted to welcome me officially to the school community. As parents you are more than welcome to join us at the service, but I want to stress that this will not be our normal church service, the staff and children will this time make up part of the congregation. It would be wonderful to share this moment with you however there is no expectation for parents to attend.

PTFA Fun Run – 9th November.

What a wonderful amount of donations already received an amazing £342!

We want to express our heartfelt gratitude for your incredible generosity in supporting our fun run through your donations. It was unfortunate that we had to postpone the event, but we're thrilled to announce that it's now rescheduled for Thursday 9th November. We invite you to join us throughout the day to share in the excitement and fun. Your continued support means the world to us, and we can't wait

to make this event a memorable day for everyone. Thank you for being an integral part of our school community.

PTFA Rags to Riches 8th November

We would like to remind parents that on Wednesday the 8th the PTFA are inviting you to receive unwanted clothes with the aim of raising some more money to support our school. Our PTFA have been wonderfully active in this term and this is another example of an event being hosted to raise more valuable funds to support our children.

Aimed at parents and carers of young people aged from 5 to 9 years old, it is a chance for you to hear about the challenges young people face in this ever changing world and to hear about the tools and techniques you can use to support your children.

The topics covered will be as follows: -

Session 1 - Tuesday 14th November

- Development
- Anxiety Landscape
- Family life
- Ever changing risks and world
- The online world

Session 2 - Tuesday 21st November

- Relationships
- Gender stereotypes
- Positive body image
- Mental health

Some of the feedback we have had from parents of our Let's Talk Teenagers and Let's Talk Pre-Teens is below.

"The work you are doing is VITALLY important. I have been feeling so alone and isolated as a single parent. This has made me feel supported in just an hour and a half"

"This has been the best online service I have ever been on...thank you. worth every minute of our time and yours"

"Again, another really good session. I wasn't sure whether to join as I have done the teen talks and my youngest is 12 but thought it might help... and it has already"

"I thought they were very tough topics and the session and links will be invaluable to help me to discuss them with my daughter who is in Year 6 and also my son who is in Year 4"
