

22nd November 2023

Dear All

Firstly, wow! What a start to the new school year! The PTFA have been overwhelmed with everyone's contribution to events so far and want to thank everyone for such amazing support.

So far this year we have had fun and fundraising success with the bake sales, grandparents' day, non school uniform, Rags2Riches and the fun run which has raised a tremendous £1230 for the school. These monies are going to be put towards paying for the whole school to watch a Christmas film at the Alexandra Cinema and for each child to have a drink and some popcorn. The monies are also paying for the children in years 4, 5 and 6 to make beautiful lanterns and participate in the magical Christmas Lantern Parade through Newton Abbot. Also, the Christmas Disco will be free for all children to attend and each child will receive a goody bag and preparation for the Christmas fayre.

Upcoming events

- **24th November** The children will be making Christmas decorations with the PTFA to sell at the Christmas Fayre. If anyone can help with making decorations please let Mrs Webber know.
- **30 November**- Templar Bake sale
- **5 December**- Whole school trip to cinema to watch Arthur Christmas.
- **6 December**- Christmas Fayre- this is shaping up to be a fantastic event with over 30 raffle donations already received and lots of games and stalls planned. If you are able to help with setting up for the afternoon or on the afternoon with a stall, even for 30 minutes, please let Mrs Webber know as the more helpers we have means the more games and stalls we can provide for the children to have more fun.
- **14 December**- free School Christmas Discos. KS1 3-3.45 and KS2 4-5.

Thank you again for all of your support.

PTFA
