Home Learning

Please ensure that children are reading at least 4 times a week and it is recorded in their reading records.

Spelling and maths homework will be sent home weekly.

Dear Parents and Carers,

Welcome back to our second half of the spring term. We have lots of exciting learning that I can't wait to share with parents.

In English, In English, some of the children within Courtenay Class have been continuing to split off into the Read Write Inc groups in order to develop their reading and writing further. In our English, the children have started a new purpose for writing. This half term, we will be looking to entertain our readers. We have started off by looking at different ways we can entertain through writing and will be beginning our learning by exploring poems.

Star of the Week**Leja**

For your hard work and determination in your maths learning.

In math, we have been continuing our learning on length and perimeter. This week, the children have been understanding equivalent lengths and working out the perimeter of different shapes.

In RE, we are going to be exploring the big question; "Why do Christians call the day that Jesus died Good Friday?". The children have had the opportunity to look at the 'Big Story' and how that sets out key events in the build-up to Jesus' death on the cross.

Have a lovely weekend,

Miss Harris

MESSAGE FROM MR O'SULLIVAN**We Believe.....****We are stronger together**

Our school value for this half term is love. Love is a fundamental value that permeates every aspect of All Saints Marsh. In Active Worship this week we have considered whether God's love, or anyone's love for that matter, can truly be measured. As a school we want to embody this love in our daily interactions, showing kindness, compassion, and understanding to those around us. Whether through acts of service, words of encouragement, or simply lending a listening ear, we aim to demonstrate God's love in tangible ways.

We all belong in our School Trust....

We're thrilled to share that this week we had a visit from a firefighter who spoke to the children about fire safety. It was an engaging and informative session where the children learned about the importance of fire prevention, what to do in case of a fire emergency, and how firefighters help keep our communities safe. Beyond learning about fire safety, this visit provided another valuable opportunity for the children to meet a professional and gain insight into potential careers for their future. We firmly believe that "you cannot be what you cannot see," and exposing our students to a variety of professions at a young age broadens their horizons and inspires them to pursue their passions and dreams.

In removing barriers for all....

We want to extend a heartfelt thank you to all parents who generously contributed to the Rags to Riches campaign once again this term. Your donations not only ensure that clothes go to a worthwhile cause, but they also play a crucial role in raising vital funds to support our children further. A special thank you goes to the PTFA for their hard work and dedication in organizing this event. Thank you for your continued support and generosity.

In realising the possible so that all children can flourish....

We're excited to announce that we will be hosting Learning Celebrations during the summer term, and we warmly invite all parents to join us. This will be a wonderful opportunity for you to come into the classroom and see firsthand the incredible learning experiences your children have been engaging in throughout the term. It will be a celebration of all things All Saints Marsh, showcasing the progress and achievements of our students. We'll provide more information, including specific dates and classes, in the coming weeks, so please stay tuned. We can't wait to share this special occasion with you and celebrate the remarkable journey of learning together.

LAUNCHING THE MUSEUM 'PASTPORT'

A new initiative, the museum Pastport (get it?) allows young visitors to collect a sticker for completing a trail or an activity.

From February half-term, come in to customise your pastport and start collecting stickers. After collecting 10 stickers (one per visit), you can collect a prize!

PLASTIC FREE
NEWTON ABBOT
SURFERS AGAINST SEWAGE

By using a pastport in lieu of plastic prizes, we hope to reduce our plastic consumption in the museum.
