Courtenay	94%
Templar	97% So Close!

This week's whole school attendance: 96.4%

Last week's whole school attendance: 95.9%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday**

Dear Parents and carers,

Welcome back to all children this week after half term – I think everyone was in need of a break after such a fantastic half term of attendance!

As Geographers this week, we have been looking at globes, maps and atlases to find out about the seven continents. Children have also been learning a song about the continents to help memorise each continent. They have enjoyed colouring and labelling maps in their Geography books.

Children have also been enjoying their Computing lessons this week – a lesson on using our school robots – the BeeBots! The children are beginning to learn basic programming to get the BeeBots to move about.

Star of the Week:

Rehaan – for making such quick progress with his reading, well done!

We have been learning about Islam in RE this half term, and Year 1 and 2 children were able to talk eloquently and write beautifully about Muhammed's messages about caring for animals. I was blown away by some of the writing they produced in their RE books.

Literacy this week has been focused on personal pronouns "I" and "we". They have learnt about how to use these personal pronouns to form short narratives.

A highlight this week was our visit from Local firefighter James. He told us all about the incidents that firefighters attend – we were interested to learn that the most common incident that they attend is rescuing animals that have fallen in to ditches! He also told us about how to keep our homes safe and protected from housefires, and what to do if our clothes were to ever catch on fire – STOP, DROP and ROLL! This fitted in nicely with EYFS learning around Superheroes.

Year 1 and Year 2 children have joined together in Maths lessons now and are both concentrating on Multiplication this week. One topic we have been concentrating on is Odds and Evens. Lots of children find this concept difficult so any discussion around this at home would be very useful!

Have a great weekend – hopefully we see some sunshine!

Best wishes,

Mrs Perry-Bates and Miss Rippon

MESSAGE FROM MR O'SULLIVAN

We Believe.....

We are stronger together

Our school value for this half term is love. Love is a fundamental value that permeates every aspect of All Saints Marsh. In Active Worship this week we have considered whether God's love, or anyone's love for that matter, can truly be measured. As a school we want to embody this love in our daily interactions, showing kindness, compassion, and understanding to those around us. Whether through acts of service, words of encouragement, or simply lending a listening ear, we aim to demonstrate God's love in tangible ways.

We all belong in our School Trust....

We're thrilled to share that this week we had a visit from a firefighter who spoke to the children about fire safety. It was an engaging and informative session where the children learned about

the importance of fire prevention, what to do in case of a fire emergency, and how firefighters help keep our communities safe. Beyond learning about fire safety, this visit provided another valuable opportunity for the children to meet a professional and gain insight into potential careers for their future. We firmly believe that "you cannot be what you cannot see," and exposing our students to a variety of professions at a young age broadens their horizons and inspires them to pursue their passions and dreams.

In removing barriers for all....

We want to extend a heartfelt thank you to all parents who generously contributed to the Rags to Riches campaign once again this term. Your donations not only ensure that clothes go to a worthwhile cause, but they also play a crucial role in raising vital funds to support our children further. A special thank you goes to the PTFA for their hard work and dedication in organizing this event. Thank you for your continued support and generosity.

In realising the possible so that all children can flourish....

We're excited to announce that we will be hosting Learning Celebrations during the summer term, and we warmly invite all parents to join us. This will be a wonderful opportunity for you to come into the classroom and see firsthand the incredible learning experiences your children have been engaging in throughout the term. It will be a celebration of all things All Saints Marsh, showcasing the progress and achievements of our students. We'll provide more information, including specific dates and classes, in the coming weeks, so please stay tuned. We can't wait to share this special occasion with you and celebrate the remarkable journey of learning together.

DATES FOR YOUR DIARY 2024

FAMILY SUPPORT

Lottery Funded Family Days 2024

Wild Embers are supporting families with SEND children 6-11 yrs with funded weekend activities

Family Day: Join us at our beautiful site at Blackberry Barn this 2024 for one of our winter family days. The day will include bush crafts, exploring nature and outdoor cooking, with lunch around the fire. Food provided.

Dates: March 2nd, March 3rd, April 27th, April 28th, June 8th, June 9th

Wild Embers is a community orientated and highly impactful provider that has been running since 2017. We are members of the alternative providers network, the parent and carer forum Devon, and have established connections with a large number of Academies. We run a successful Ofsted registered forest school, community gatherings/feasts, father & child days, with a range of specialist support offerings for children and families with SEND.

Cost: We ask for a minimum donation of £5. Any donations you give go will enable us to work with more children and families with special educational and social and emotional health needs, so give generously if you are able.

ADDRESS, DIRECTIONS & BOOKING

To book a family day: email admin@wildembers.org

Cost: Donation only (minimum donation of £5 per family)

Address: Blackberry Barn, Ritson, Halwell, TQ9 7JG

Satnav Instructions:

Follow up until Totnes cross petrol station no further.

Then follow the road around to Kingsbridge (away from Totnes), you will see a sign that says Kingsbridge 6 miles, please take the left hand turn just behind the sign, follow the lane into the old farmyard, now beautiful barn conversions.

Take a slight right, drive in-between new barn conversion and an agricultural barn. The driveway leading to the parking area is directly in front of you between the house and fence. Head down the driveway where you can park on the ménage to your left.

LAUNCHING THE MUSEUM 'PASTPORT'

A new initiative, the museum Pastport (get it?) allows young visitors to collect a sticker for completing a trail or an activity.

From February half-term, come in to customise your pastport and start collecting stickers. After collecting 10 stickers (one per visit), you can collect a prize!

PLASTIC FREE
NEWTON ABBOT
SURFERS AGAINST SEWAGE

By using a pastport in lieu of plastic prizes, we hope to reduce our plastic consumption in the museum.
