# Our whole school attendance target is 96%

# **Home Learning**

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday** 

Dear Parents and carers,

Congratulations Forde Class! With a whopping 99% attendance this half term we certainly deserved our celebration breakfast this morning! It was lovely to see the children sitting together to enjoy all the yummy treats and enjoying one another's company. They have worked so hard this half term and I am proud of each and every one of them!

This week we have been finishing off our learning on the Great Fire of London in History. The children have enjoyed this topic and are able to articulate clearly how the fire started and why is spread so quickly. Next half term we will be having Geography lessons on a Monday afternoon as we alternate between History and Geography each half term.

Star of the Week:

Phone: 01626 365293 Email: allsaints@lapsw.org www.allsaintsmarsh-lap.co.uk

All Saints Marsh C of E Academy, Osborne Street, Newton Abbot, TQ12 2DJ

Rehaan – for making such quick progress with his reading, well done! New Phonics groups are set to start on Monday 19<sup>th</sup> February. I will be scheduling a Teams meeting to talk about the Year 1 Phonics Screening check for that week which I will also record so that it is available for you to watch in your own time. I know what busy lives everyone leads! I will do the same for the reception children in the near future too.

In Maths the children have enjoyed taking part in Daily 10 sessions, where they are able to answer 10 questions on a whiteboard and check their answers at the end. I will share the Daily 10 website on Seesaw so that they are able to have a go at home over half term if they would like.

Have a fantastic week off and thank you for all your support this half term,

Best wishes,

Mrs Perry-Bates and Miss Rippon

## **MESSAGE FROM MR O'SULLIVAN**

# We Believe.....

As we wrap up this half term's focus on perseverance, it's a moment to celebrate the triumphs and lessons learned along the way. In Science, children in Templer have looked at the innovation of Spencer Silver, who famously invented the Post-it Note while aiming for a strong aircraft adhesive. Was it a failure or success? This story serves as a poignant reminder that success often emerges from unexpected places, and resilience is key to navigating setbacks. Across the school, the children have exemplified remarkable perseverance, showcasing the power of determination in reaching their goals.

# We are Stronger Together.....

Safer Internet Day proved to be a resounding success at All Saints Marsh, with engaging and impactful activities tailored to the specific needs of our Key Stage 1 and Key Stage 2 pupils. In Key Stage 1, children interacted with a story featuring DigiDuck, learning valuable lessons about responsible online behaviour and how to stay safe in the digital world. Meanwhile, our Key Stage 2 pupils delved into the critical topic of online safety by exploring the concept that things aren't always as they appear online. Safer Internet Day provided a valuable opportunity for our students to enhance their knowledge and empower them to navigate the online world confidently and responsibly.

# We all belong in our School Trust .....

Parents/ carers – We need you!

I am reaching out to invite all parents/ carers to come in and speak to our children about life beyond All Saints Marsh. While we've been fortunate to welcome visitors from various professions, we're eager to provide our children with a comprehensive understanding of the diverse array of

opportunities available to them. We are asking anyone who is willing to give up 10 minutes of their time to speak to school during assembly about their job. We would love to hear from as many of you as possible and have no parameters for what that job may be. If you would like more information or think you may be able to give up some of your time please speak to me or contact Mrs Webber at school.

# In realising the possible so that all children can flourish.....

What an incredible level of attendance we have seen this half term with the whole school attendance sitting at 98%. It's a testament to the dedication and commitment of both children and parents. A special shoutout to Forde for their exceptional 99% attendance, earning them the honour of the celebration breakfast. However, it's worth noting that every class achieved above 97% attendance, showcasing a collective effort towards prioritizing education and learning. Thank you to all parents for your unwavering support and commitment to ensuring your children are at school and enjoying learning!

Forest School have asked for children to help restock their supplies by collecting sticks over the half term (that fit inside a plastic bag!). Thank you!

# DATES FOR YOUR DIARY 2024

12.2.24 - 16.2.24 Half Term

# **FAMILY SUPPORT**

# **Household Support Fund**

We are pleased to announce that the fund is now accepting applications from families who have received previous funding from earlier phases. The current phase will run until the end of March 2024.

# Through this fund, Early Help is able to provide a grant per family to support with:

- Food
- Supporting for energy and water bills for household purposes
- Essential white goods such as a fridge, freezer, or cooker
- Consideration for petrol for essential journeys

# This Fund is NOT able to provide funds for the following, which is NOT an exhaustive list:

- Washing machines
- Driers
- Beds
- Furniture
- School Uniform

# The family needs to meet the following criteria:

- You are a family (at least 2 people where at least 1 person is either pre-birth or up to 18 years old)
- You are experiencing financial hardship
- You need financial help to pay utility bills or buy food and essential items linked to food, warmth, and utilities for your family
- Not have received financial assistance from another source for the same reason If you consider yourself eligible and would like to apply please contact Mrs Webber.

# Worried about money?

NHS
Devon Partnership
NHS Trust

# Many of us a worried about the increasing cost of living.

With bills rising and winter approaching, we know that people are concerned about being able to eat properly, heat their homes and pay all of their expenses within their budget.

### We also know that worrying about financial issues can have a significant impact on our mental and emotional wellbeing.

Just talking about things can help to ease this burden – and there are many sources of help and support out there. If you are struggling or worried about money, please don't let embarrassment get in the way of seeking help

You are not alone, many other people are facing exactly the same concerns as you and the resources listed in this leaflet are there to help.
