'Building Lifelong Foundations Together'

Attendance

Attendance Matters!

Every Student, Every School, Every Day

Class	Weekly Attendance
Forde	98%
Courtenay	96%
Templar	99% Well Done!

This week's whole school attendance: 97.8%

Last week's whole school attendance: 96.4%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday**

Dear Parents and carers,

This week in Forde class we have been enjoying reading lots of poetry! In our daily Reading for Pleasure sessions we have been reading a variety of poems and riddles. We are even having a go at writing our own riddles in our literacy books!

In Geography this week we were using our maps, atlases and globes to identify and locate the five oceans. The children have enjoyed learning the songs to help them remember the names of the oceans and continents!

In Maths this week we have focused on division and have been taking part in lots of practical tasks to understand the concepts of grouping and sharing. Please see log in details for TT Rockstars in Home Learning

Star of the Week:

Ava – for working hard on her writing this half term.

books today – children have had a go at logging in at school this week but may need support in accessing the website.

Have a great weekend,

Best wishes,

Mrs Perry-Bates and Miss Rippon

MESSAGE FROM MR O'SULLIVAN

We Believe

We are stronger together.....

This week in our collective worship, we shared the parable of the Good Samaritan. Inspired by this story, we collectively embraced the challenge of extending the same level of love and compassion to every member of our school community. This parable gets us to think about even when we don't know a person it's important to treat people with care and love. Through reflection and discussion, we reaffirmed our commitment to fostering an inclusive and supportive environment where kindness and love knows no bounds.

We all belong in our School Trust....

This week's residential for our Year 4 children was an incredible adventure, filled with laughter, new experiences and triumph. The children embraced every challenge, from conquering the high ropes to navigating night-time treasure hunts with enthusiasm and determination. It was wonderful to witness them overcome their initial nervousness about being away from home, and instead, they flourished, forming new friendships with our friends from Ellacombe and creating lasting memories. Their resilience and spirit were truly inspiring, and it's evident that they all had a remarkable experience they'll cherish for years to come. A big thank you also to Miss Harris and Mrs Armstrong for their hard work supporting our children for the 2 days.

In removing barriers for all....

We are thrilled to celebrate the outcome of the meeting with the PTFA this week! It was collectively agreed that a portion of the funds raised this year will be allocated towards purchasing new resources for our EYFS children to use and enjoy in the outdoor area. This investment promises to enhance our children's learning experiences and further enrich their time spent outdoors. Additionally, we are overjoyed to announce that thanks to the PTFA's generosity, all children will have the exciting opportunity to embark on a school trip, with the PTFA graciously covering the cost. More information will be shared in the coming weeks about the different trips on offer for the different year groups. We extend our heartfelt gratitude to the PTFA for their dedication and generosity and to everyone who has donated this academic year.

All Saints Marsh C of E Academy

In realising the possible so that all children can flourish....

We're thrilled to announce our upcoming celebration of World Book Day next week with a special visit to Newton Abbot Library! It promises to be an enchanting day filled with the magic of storytelling. We encourage all children to join in the fun by dressing up as their favourite book character. Please don't hesitate to reach out to us at school if you are having any problems with a costume. We're here to support and ensure every child can fully participate in this exciting event!

22.7.24 Leavers Assembly at St Paul's
24.7.24 End of Term

Families invited to help shape future support services

Devon are changing the way that young families are supported at Children’s Centres, and are inviting those who use the services, as well as professionals and community groups, to help influence the changes.

It follows a national move, announced by the Government last year, for Children’s Centres to become Family Hubs, as part of its Start for Life Programme initiative.

In Devon that means extending the age range, from current services that deliver targeted support to 0 to 8-year-olds, to future services that provide targeted and universal support to 0 to 19-year-olds, or up to 25-year-old young people with Special Educational Needs and Disabilities (SEND). And it would mean a wider range of services than present, including support from local community groups, working together to help young families.

Exactly which services will be integrated into a Family Hub will very much depend on the needs of local families. But the kind of services that families could access include early years services and education; Public Health Nursing and Midwifery services; activities delivered by local groups; drug, alcohol and domestic abuse support; mental health support and youth services.

[Read the full story on their website](#) to find out more, including how to have your say on the plans.

The consultation is available by visiting the [Have Your Say](#) webpage.
