Dear Children

Eco Rangers at ASM!

Are you passionate about protecting our planet and making a positive impact on the environment? If the answer is yes, then we would love to invite you to be part of our school's Eco Committee!

At All Saints Marsh, we believe in the importance of taking care of our environment, and we're on a mission to make our school a greener and more eco-friendly place. From reducing waste to conserving energy, there are so many ways we can work together to create a better future for our planet.

We're looking for enthusiastic children like you from all Year groups from Reception to Year 6 to join us in this important initiative. If you're interested in being part of the Eco Committee, we invite you to send in a 30-second video clip explaining why you want to be involved and what ideas you have for making our school more eco-friendly. Grown ups, please send your clips to allsaints@lapsw.org. If you are having any difficulty with this then please let us know or if you would sooner apply with a letter or drawing then bring them into Mr O'Sullivan at school.

Your creativity, passion, and dedication are what will make our Eco Committee successful, and we can't wait to hear your ideas! Please submit your video clips by Friday 3rd May and we'll announce the new members during Assembly On Monday 6th May.

Together, let's make our school a greener, friendlier place for everyone. We can't wait to embark on this journey with you!

Warm regards,

Mr O'Sullivan
