‘Building Lifelong Foundations Together’

Attendance

Attendance Matters!

Every Student, Every School, Every Day

Class	Weekly Attendance
Forde	97%
Courtenay	96%
Templar	100% Well Done!

This week’s whole school attendance: 97.5%
Last week’s whole school attendance: 98%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please read 4x a week.

Please see your child’s Home Learning book which comes home every **Friday**

Dear Parents,

This week in Forde Class we said farewell to our Painted Lady butterflies! The children wrote their goodbyes and we went into the playground to see them fly off into nature. It has been fascinating to watch them grow from teeny caterpillars, to quite large caterpillars, then into chrysalides and finally emerging as butterflies! The children have been eager to see them each morning so some were a bit sad to see them go!

In Maths this week, the children have been learning about Position and Direction. They have been using the language of left, right, forwards and backwards and learning how to describe turns.

Star of the Week –

Leo – for always setting a super

<p>example to his peers.</p>	<p>In RE this week we have been discussing the good news that Jesus brings to Christians. The children have been very reflective about what the story of Matthew means to Christians.</p> <p>We have been lucky enough to have two literary visitors this week – an author came in to visit us on Wednesday and then on Thursday a lady from the library came in to tell us about the Summer Reading Challenge. The Summer Reading Challenge can be signed up for at any local library – read 6 books over the 6 weeks off and receive a medal and certificate! It would be amazing to see lots of medals and certificates in September – last September we had lots!</p> <p>Have a lovely weekend,</p> <p>Mrs Perry-Bates and Miss Rippon</p>

MESSAGE FROM MR O’SULLIVAN

We Believe.....

We are stronger together

This week, our worship sessions had a special focus on reading, creating a buzz of excitement among the children. We were thrilled to welcome a local author, whose visit captivated and inspired our children. Additionally, Newton Abbot library paid us a visit to launch the summer reading challenge, encouraging a love of books and reading over the holidays. For more information on how to participate in the summer reading challenge, please contact the school or Newton Abbot library.

We all belong in our School Trust

It has been truly wonderful to see all children accessing the Forest School curriculum this year, with the last few groups completing their sessions this week. Watching the children engage in these activities with enthusiasm and curiosity has been incredibly rewarding. We extend our thanks to the Forest School teachers for their dedication and time in enriching our curriculum, ensuring that every child had the opportunity to learn and grow through these unique, hands-on experiences.

In removing barriers for all

We extend our heartfelt gratitude to the PTFA for their remarkable efforts in hosting this year's summer fair. The impact of your fundraising events has been profound, enabling our children to enjoy free trips and providing resources for the school. Your commitment has made a significant difference for our children and for that, we thank you immensely.

In realising the possible so that all children can flourish....

We are delighted to announce that our Year 6 children are off on an exciting stand-up paddleboarding trip, a well-deserved celebration of their hard work throughout the year and their entire school journey. This adventure promises to be a memorable experience, rewarding their dedication and achievements. We look forward to hearing all about the brilliant time they have had at Goodrington beach and the wonderful memories they will create.

DATES FOR YOUR DIARY 2024

24.7.24 End of Term

OFFICE NEWS

Dear Families,

As we get ready to move into the next academic year we have reviewed parental consents within MyChildAtSchool (MCAS) and we need your permission to enable photographs and videos to be used. You have

the opportunity to choose 'Yes or No' for each consent type. The list also includes permission for an external photographer to take individual and class/group photos. Please log into your MCAS App and click on Parental Consents. Each consent has a full description for you to consider and further information can be found in our Photography and Video Consent Policy.

Thank you to those who have already updated their preferences.

Can we also ask that you order your child's school dinner in advance at home (not in school) as this takes up valuable learning time. The kitchen also use the pre orders to plan what food need to be ordered. If you need help with this, please let Mrs Webber know.

FAMILY SUPPORT

DEVON Holiday Activities and Food Programme (HAF)

The Devon HAF programme for the Summer holidays is due to go live on Friday 28th June, parents of eligible children can start to book your spaces – letters will be sent home with the

children today. For more details please visit: [Holiday Activities and Food \(HAF\) programme – Education and Families \(devon.gov.uk\)](https://www.devon.gov.uk/education-and-families/haf-programme)

There is an extended criteria which can allow 15% allocation of spaces for the following:

- Children in care
- Children previously looked after
- Children with EHCP's
- Young carers

Plant Sale, this Saturday

We're fortunate enough to have been given some pumpkin and gourd plants so we're having a plant sale! There will be no set cost so please make a donation on the day - you'll find the plants in the main foyer.

All money raised helps to support the amazing work our charity [Libraries Unlimited](#) continues to do across the county.

[Newton Abbot Seed Library](#)

Exciting News for Parents in Devon! 🍌🍷

We're proud participants of [Devon County Council Healthy Food and Activities Program \(HAF\)](#), and if your child receives free school meals, they can enjoy a fully funded swim and snack!! 🍌🍷

It's easy to get started. Just use the eligibility code you received from your child's school to join in on the fun. Let's make the most of this wonderful opportunity to keep our kids happy, healthy, and active.

Don't let these passes go to waste – spread the word and share this post with your friends and fellow parents! 🌟

🌟 What is a HAF Club? It's a government-funded Holiday Activities and Food (HAF) program, providing children on means-tested benefits the opportunity to have a swim for free with an adult!!

? Who's Eligible? Children aged 5-16 who qualify for benefit-related Free School Meals.

? How do I book? Email aaron@fishkids.co.uk with your HAF code.
