

11th September 2024

Dear Parents and Carers,

Templar Class Trip 7th October 2024

In History this half term, Templar class are investigating this enquiry question: 'How did the Industrial Revolution impact society?' We have already learned what life was like before the Industrial Revolution, so that we can see an impact. Our main focus will be a local history investigation about how the railway (a core part of the Industrial Revolution) impacted Newton Abbot. Newton Abbot Museum are kindly hosting us for workshop sessions about this on Monday 7th October. The sessions are interactive, giving Templar class the fantastic opportunity to get hands-on with history! The trip will run in the afternoon and we will return to school for 3pm. Please can all children wear their normal school uniform, bring a named water bottle and a waterproof coat as we will be walking to and from the museum.

Regards,

Mrs Mott
