**Dear Parents and Carers,**

At All Saints Marsh Academy, we are always looking for ways to support our families in the best way possible. We understand that finding convenient, affordable, and reliable wrap-around care is a priority for many parents, and we want to explore the possibility of providing an after-school club to meet this need.

To ensure that any provision we put in place is both beneficial and viable, we need to gain a clearer understanding of the level of interest and requirements among our school community. This after-school club would run from the end of the school day and would include a cost to cover staffing and resources.

To help us gauge the demand, we have attached a Google form <https://forms.office.com/e/AMfP18tpmj> with some short questions. This will take a few moments to complete it. Your responses will provide valuable insight as we consider the best way to move forward with this initiative.

Thank you for taking the time to share your feedback. Your input will play an essential role in shaping how we can better support our families with wrap-around care.

If you are interested, please complete by Friday 8<sup>th</sup> November.

Regards

*Mr O'Sullivan*
