Dear Parents and Carers,

Our current English unit is writing a recount inspired by the book, 'Letters from the Lighthouse.' The story contains moments of intense sadness as it recalls the persecution Jews suffered during World War Two. The children must be commended for the respect and sensitivity they are showing to discussing such an important and sad issue.

We are always trying to link up learning as much as possible so we are studying World War Two in History also. Templar are showing lots of interest in this subject: at the start of each lesson, we review our previous learning and add it to our working wall and the children are very keen to contribute to this topic. So far, we have learned about The Treaty of Versailles and how this impacted on Germany before Hitler came to power in 1933; what happened in the years 1933-1939 that led to the outbreak of

Sam is such a wonderful addition to our class; he shows brilliant enthusiasm in his learning and is contributing a lot to class discussions. We feel very lucky to have him!

war; and how war was fought.

World War Two is also the topic of our Fluency lessons. Three times a week we read either the same text or different texts that support our journey to becoming a fluent reader. We are currently reading recounts about experiences during World War Two. Based on listening to the children read, this is our Fluency learning journey in Templar:

What makes me a fluent reader?

MESSAGE FROM MR GRINSILL

We Believe:

In Act of Worship this week, we continued to explore our value of perseverance, focusing on the timeless story of the hare and the tortoise. The children reflected on the important message that consistency, steady effort, and determination over time can lead to success. Through this story, they considered how this lesson applies to their own lives, both in school and at home, encouraging them to stay committed to their goals and embrace the journey, no matter how long it may take.

We are Stronger Together

This week, we held our Ethos Advisory Committee meeting, bringing together headteachers from the Torquay hub of schools alongside wider committee members. It was a valuable opportunity to reflect on the current position of each school and share insights into our progress and priorities. We also explored the incredible support and resources available to us as part of our school trust, reinforcing our collective commitment to fostering excellence and collaboration across our community of schools. These discussions are vital in shaping our shared vision and ensuring the best outcomes for all our pupils.

We all belong in our School Trust

This week, our staff came together to reflect on and strengthen our implementation of our trauma-

informed behaviour policy. Through collaborative discussions, we explored how we can continue to support the emotional well-being and positive behaviour of all our children in a compassionate and consistent way. This shared commitment ensures that our approach remains effective and aligned with our school values. Next week, we look forward to sharing key aspects of this policy with the children during assembly, helping them understand how it supports our school community and their own growth.

OFFICE NEWS

You will have already noticed the traffic disruption due to the gas pipe upgrades. We are noticing that cars are using Salisbury Road as a rat run to avoid the queuing traffic on the Avenue. Please be vigilant with this increased traffic and use the car park at Osborne Street to drop and collect your child. If you need a parking permit, please let Mrs Webber know. Thank you for your support in keeping our school family safe.

COMMUNITY NEWS

At ASM, we are very lucky to be part of a Music Network. We have been asked to share the following information: it sounds like a really fun, lively and interactive performance (with an opportunity to attend a free workshop if there are spaces available AND a free book!)

Big Dreams Project

Big Music Collective have been working in collaboration with Paddleboat Theatre Company delivering the Big Dreams Project in the Teignbridge District which has included school music & theatre workshops; community art workshop creating the book and culminating in the Big Dreams Live Show.
