

7<sup>th</sup> January 2025

Dear Parents and Carers,

I hope this letter finds you well. I wanted to take a moment to update you on my current situation following knee surgery. As it stands, I am working from home while continuing to recover, but I am pleased to report that I am making good progress and am hopeful to spend some time face-to-face with the children next week.

In the meantime, we have put measures in place to ensure there is no disruption to the smooth running of the school. I remain in daily contact with the school team. The dedication and professionalism of our staff mean that the children's education and well-being remain the priority.

I want to express my gratitude to you all for your patience and the kind messages of support I have received.

If you have any questions or concerns, please don't hesitate to reach out to the school office as usual. Thank you for your understanding, and I look forward to being back with the children soon.

Yours sincerely,

*Liam O'Sullivan*
