*Our whole school attendance target is 96%*

Home Learning

Y6: SPAG  
Y5: Reading  
comprehension

Dear Parents and Carers,

Well done to the Year 6s for approaching their final practice SATs week with such positivity. When we mark the papers, we get a score but we also do a break down of each question that most of the group were unsuccessful on in order to understand what teaching we need to do before SATs. Mrs Mott has now made a detailed SPAG plan for example, for each SPAG lesson until the big day! The Year 5s have also completed a Reading test – so it's been a very busy week!

**Star of the Week**

Bertie for having such a positive, pro-active attitude to working with his

In Geography, we learned about six-figure grid references which are used to give really precise locations. This is important if a grid square is showing a highly populated area because, within the same grid reference, there may be multiple different facilities: if you wish to know where the leisure centre

## MESSAGE FROM MR O'SULLIVAN

### **We Believe:**

This week we have been focusing on the theme of showing love through forgiveness. In our worship and class discussions, we have explored how forgiveness strengthens friendships, builds trust, and helps us to move forward with kindness. It has been wonderful to see them applying this in their daily interactions, demonstrating compassion and understanding towards their friends.

### **We are Stronger Together**

We have also been celebrating the success of our after-school clubs this year. It has been brilliant to see so many children taking part in a wide range of activities, from sports and crafts to drama and choir. The high levels of enthusiasm and engagement have been fantastic, and we are so pleased that our children are embracing these opportunities to develop new skills, build confidence, and have fun outside of lesson time. A big thank you to our staff and external providers for making these clubs such an enjoyable part of school life.

### **We all belong in our School Trust**

A reminder to our Year 4 parents that our times table breakfast club continues to run, offering children extra support and practice in preparation for their multiplication check. Additionally, we will be holding a parent meeting straight after school on Wednesday, 2nd April, to provide more information about the multiplication check and how you can support your child at home. We encourage all Year 4 parents to attend, as this is a great opportunity to ask any questions and gain a better understanding of what to expect.

### **In realising the possible so that all children can flourish**

Finally, the race for this term's attendance breakfast is extremely close! Attendance has been a key focus this term, and we are so pleased to see classes striving to achieve the highest percentage. Every school day matters, and we want to thank parents for their support in ensuring children are in school and ready to learn. With just a few weeks left to go, it could still be anyone's prize—let's keep up the fantastic effort!

A HUGE thank you to our all Comic Relief supporters today. Through your generosity we raised a fantastic £63.30.

### **FREE SCHOOL MEALS**

With the recent change in Government in the UK, we have been informed that it is possible that there may be a change with new free school meal applications.

Currently if you apply for Free School Meals and you are successful your child is guaranteed to have free school meals until they leave Primary School at the end of Year 6. We have been informed that after **1st April 2025** this may change and your children would be subject to ongoing checks and if your circumstances change you may no longer be eligible and free school meals would stop.

Therefore, can we please encourage any family who thinks they may be entitled to free school meals (even if your child is in Reception or Key Stage 1 and therefore does not currently pay for their meals), to please apply as soon as possible and before the end of March 2025. If you are successful this will guarantee your child remains eligible until the end of Primary School. You can make the application online at the Devon Citizen Portal [Free school meals - Support for schools and settings](#) Alternatively, please email the school at [allsaints@lapsw.org](mailto:allsaints@lapsw.org) and a paper form can be sent home which can be returned to the office who will then submit this for you. Please do remember though, this needs to be before the end of March 2025 to ensure you receive this on an ongoing basis.

If your child is already eligible then you do not need to take any action and your child will remain eligible until the end of Year 6.

If you have any concerns or questions please do contact the school office.

### **FACEBOOK**

We have changed pages – please follow us at <https://www.facebook.com/allsaintsLAP> to keep updates with what's going on

### **PARKING PERMITS**

We have been issued with new car parking permits by the Council. The permits allow you to park in Osborne Street car park for free at pick up and drop off. If you would like a new permit please let Mrs Webber know.
