Last week's whole school attendance: 95.4%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday**

Dear Parents,

As we approach the end of the Spring Term, the children have been working hard across all subjects and should be proud of the achievements they have made so far this year. With this in mind, we would like to invite all parents in for a 'Learning Celebration' on Thursday 3rd April so that the children can show off all their hard work! Reception parents are welcome in from 8.50am – 9.10am to have a look around the learning environment, and Year 1 and Year 2 parents are welcome in at the end of the day (from 2.40pm) to look at books and discuss learning.

Star of the Week:

On Tuesday 1st April I am holding a Phonics/Reading workshop for all children who are on the RWInc programme. These sessions are really beneficial to air any questions you may have and to make sure that you are able to support your child's reading at home in the best possible way.

Freddie – For becoming much more independent in his book work.

It would be really useful for me to know if you are able to attend – there is a sign up sheet in the playground.

In Maths this week the Year 1 and Year 2 children have been learning about length and height. They have learnt the difference between measuring in metres and centimetres and have practised drawing and measuring with rulers.

In Geography this half term we have looked closely at the human and physical features of our local area, and this week we planned out our route to the church for our Easter service on Wednesday! The children were able to describe the route using the compass points and plot it on a map.

Have a lovely weekend,

Mrs Perry-Bates and the KS1 team

MESSAGE FROM MR O’SULLIVAN

We Believe:

We are Stronger Together

This half term, our focus has been on the value of *love*, and it has been wonderful to see the children embracing this in their daily lives at school. From acts of kindness in the playground to supporting one another in class, they have truly demonstrated what it means to care for and respect each other. Our House Teams have been a great way for children to show love and encouragement across year groups, and we are so proud of the positive atmosphere they continue to create.

We all belong in our School Trust

A highlight of the term was the fantastic music festival that our KS2 children attended this week. Their enthusiasm, talent, and teamwork shone throughout the event, and they represented All Saints Marsh with pride.

Whether performing or supporting their friends, they embraced the joy of music and showed great respect for the other schools taking part. It was a wonderful opportunity to celebrate creativity, and we are incredibly proud of all those who took part.

In Removing barriers for all

Next Wednesday, we are looking forward to our **Easter Service at St Paul's Church, at 1.45pm** where we will come together as a school community to celebrate this special time of year. The children have been preparing songs, readings, and reflections to share, and we would love for as many parents and family members as possible to join us. It will be a wonderful way to end the term and reflect on the messages of hope and new beginnings that Easter brings.

In realising the possible so that all children can flourish

Finally, we would like to remind parents to be mindful when parking outside the school. We have noticed an increase in parents dropping off children from cars, which is creating congestion and, most importantly, increasing the risk to our pupils. Please ensure you park safely and responsibly to keep everyone safe. We appreciate your cooperation and support in making our school environment as safe as possible for all our children.

CLUB OFFERS

Please book via the My Child At School App. If the club is full please join the waiting list as spaces may become available.

SUMMER 1

KS2 Rounders and Cricket Fridays 25.4.25 - 23.5.25 3- 4pm

JULY 2026

7 – 9.7.25 Year 6 Residential

17.7.25 Templar Bake Sale

18.7.25 PTFA Summer Fete

OFFICE NEWS

Please take a look at our new summer school menu and ensure that you pre-book your child's options at home via the MCAS app. If you have any issues with the app, please let Mrs Webber know.

FREE SCHOOL MEALS

With the recent change in Government in the UK, we have been informed that it is possible that there may be a change with new free school meal applications.

Currently if you apply for Free School Meals and you are successful your child is guaranteed to have free school meals until they leave Primary School at the end of Year 6. We have been informed that after **1st April 2025** this may change and your children would be subject to ongoing checks and if your circumstances change you may no longer be eligible and free school meals would stop.

Therefore, can we please encourage any family who thinks they may be entitled to free school meals (even if your child is in Reception or Key Stage 1 and therefore does not currently pay for their meals), to please apply as soon as possible and before the end of March 2025. If you are successful this will guarantee your child remains eligible until the end of Primary School. You can make the application online at the Devon Citizen Portal [Free school meals - Support for schools and settings](#) Alternatively, please email the school at allsaints@lapsw.org and a paper form can be sent home which can be returned to the office who will then submit this for you. Please do remember though, this needs to be before the end of March 2025 to ensure you receive this on an ongoing basis.

If your child is already eligible then you do not need to take any action and your child will remain eligible until the end of Year 6.

If you have any concerns or questions please do contact the school office.

FACEBOOK

We have changed pages – please follow us at <https://www.facebook.com/allsaintsLAP> to keep updates with what's going on

Parking Permits

We have been issued with new car parking permits by the Council. The permits allow you to park in Osborne Street car park for free at pick up and drop off. If you would like a new permit please let Mrs Webber know.

Afterschool club

The club will be based in our outside classroom and run by two of our dedicated staff members, Louise Sims and Kara Hawkins.

The club will run Monday to Friday from 3:00pm to 6.00pm with the following session times and costs attached;

15.00 - 16.00 - £4.50

15.00 - 17.00 - £7.50

15.00 - 18.00 - £11.00

We are also pleased to offer a sibling discount to support families with more than one child attending.

Bookings will be available through the MCAS app, making it easy for you to secure a place. If you have any questions or need support with booking, please do not hesitate to contact the school office, where our team will be happy to help.

This is an exciting time for our school, and we are thrilled to be able to offer this additional provision, something many of our parents have asked for. We look forward to seeing the positive impact this will have on our children and families.

FAMILY SUPPORT

DCC has introduced a new booking system for parents to access and book sessions on their Holiday Activities and Food (HAF) programme.

It's been designed with feedback from parents, to make it quicker, less complicated, and more convenient to use from mobile phones and tablets, as well as laptops and PCs.

The new system, partnered with EEQU, presents the full range of holiday activities available to parents, with links to each activity for further information including where and when the activity is, directions to it, and other important information about the activity. Parents can also register interest in attending it.

Once a parent has expressed an interest in their child attending the activity, the booking system will carry out an instant assessment of their eligibility to attend. If eligible, they will receive a confirmation of their booking, and be sent reminders in the lead up to the session.

If a parent needs to cancel the session for whatever reason, they can do so easily using the new booking system, which will enable other children on the waiting list to attend.

The Holiday Activities and Food programme is a government-funded initiative targeted at providing free activities and a nutritional meal to children and young people who are eligible for benefits-related free school meals during term time. In Devon, that equates to around 20,000 eligible free school meal children.

DCC have been delivering the HAF programme since 2018, and now work with over a 100 holiday activity providers around Devon that provide a wide range of activities for children and young people with all abilities.

The government has recently awarded DCC with £1.9 million to fund the HAF programme in 2025/26.

The activities run in school holiday time, covering 4 days in Spring, 16 days in the Summer, and 4 days in the winter. The HAF programme does not run in half-term holidays.

A spokesperson for the council said:

The HAF booking system is now live.

The Devon wide programme of events is now available

Fully funded places are available for all children who are accessing benefit related free school meals

To book your place please visit:
<https://www.devon.gov.uk/educationandfamilies/family-support/haf-programme/>

For ages 5-16 years
Places are limited

More information can be found at <https://devon.cc/haf-parents-info>

“The HAF programme is going from strength to strength with more and more holiday providers working with us to deliver a wide range of activities, with a nutritional meal, for children and young people who are eligible for benefits-related free school meals during term time.

“We’re excited to have received funding again from the government for this academic year, and we’re delighted to have introduced a new booking system to make the programme more accessible and activities easier to book, without the need for the previous codes.

“We’d like to thank parents for helping us design the new booking system.”

For more information about Devon’s HAF programme, [please visit our website.](#)

The new booking system will go live on 27 March, at 8.00am, however parents and carers can view the available activities before that date [Eequ - After school. In place of school. Beyond school.](#)

DEVON FAMILY HUB NEWSLETTER

In this month’s issue...

As this is the last of our **Action for Children, Devon Digital Team** Parent Carer Newsletters, this month it looks a little different. We will signpost you to services where you will be able to get **advice, guidance and information** on a whole range of topics to continue to support you.

(To view the contents of the **Newsletter** [CLICK HERE](#) or on the “**Go to this Sway**” link below).
