Home Learning

Please continue to read 4 times a week, and log this in the reading journal. Please practise times table facts with your child 3 to 4 times per week. Homework will be sent home each week.

Dear Parents and Carers,

The children of Courtenay Class have settled back very well into their learning during this short week after Easter.

This has included lessons such as Maths, when they have been continuing with fractions, and specifically subtracting mixed numbers and improper fractions. As per my previous messages, children will benefit enormously by practising their times tables on a regular basis because these will be essential when working with fractions, which will continue for a few more days before we start a new Maths unit about time.

In RE, the children have started a new unit about Christianity and they have been discussing the Holy Trinity: God the Father, God the Son and God the Holy Spirit.

In RHE, the children have been discussing emotions and putting these

Star of the Week

Thabiso is Star of the Week for being so kind and making great progress with his learning.
Well done!

together with different types of feelings.

Other subjects which the children have enjoyed this week include PE (when we have been improving our dodgeball and cricket skills) and History (when we have started to learn about Francis Drake and his reasons for going to sea).

I hope you all have a wonderful weekend.

MESSAGE FROM MR O’SULLIVAN

We Believe:

We are Stronger Together

This half term, our Christian value is Compassion, and we've been exploring what this looks like in action through our collective worship. Each class has taken time to reflect on how we can show kindness and empathy to others, both in and out of school. The children then made pledges as a daily reminder of how we can all live out this important value.

We all belong in our School Trust

We'd like to invite Year 4 parents and carers to a short meeting about the Multiplication Tables Check, which will take place this term. The meeting will be held on Monday 20th May at 3:00pm in the school hall. It's a great opportunity to learn more about what the check involves, how we're supporting children in school, and how you can help at home.

In Removing barriers for all

A huge well done to all of our pupils for taking part in our recent Whole School Cricket Engagement Day! Every class had a fantastic time learning new skills, playing together, and working with visiting coaches. The energy, teamwork, and enthusiasm shown by all was brilliant—thank you to everyone who made the day such a success.

In realising the possible so that all children can flourish
