Home Learning

Please read 4x a week.

Please see your child's Home Learning book which comes home every **Friday**

Dear Parents,

Welcome back after a lovely and well-deserved break! The children have come back looking refreshed and have settled back into school life beautifully.

In Maths the children have enjoyed learning about Money and have learnt about the value of coins and notes. It would be really handy if you could let your children have a look at some coins and notes over the next week or two and maybe even have a go at buying something with them!

Star of the Week:

In Religion and Worldviews we are looking at what it means to be a part of a faith community. The children had a good think about what communities they belong to already and what it means to feel like you belong.

<p>Rahima – for showing great learning behaviour in Maths</p>	<p>In Art this half term our focus artist is sculptor Lonnie Holley – we had a look at some of his sculptures and had a discussion around what ‘art’ can be. In the coming weeks we will be making our own sculptures. Any donations of ‘junk modelling’ materials would be greatly received.</p> <p>Today we had a fabulous time learning all about how to play cricket! The children really enjoyed the session and I think we have some budding cricketers amongst us!</p> <p>Have a great weekend,</p> <p>Mrs Perry-Bates and the KS1 team</p>

MESSAGE FROM MR O’SULLIVAN

We Believe:

We are Stronger Together

This half term, our Christian value is Compassion, and we've been exploring what this looks like in action through our collective worship. Each class has taken time to reflect on how we can show kindness and empathy to others, both in and out of school. The children then made pledges as a daily reminder of how we can all live out this important value.

We all belong in our School Trust

We'd like to invite Year 4 parents and carers to a short meeting about the Multiplication Tables Check, which will take place this term. The meeting will be held on Monday 20th May at 3:00pm in the school hall. It's a great opportunity to learn more about what the check involves, how we're supporting children in school, and how you can help at home.

In Removing barriers for all

A huge well done to all of our pupils for taking part in our recent Whole School Cricket Engagement Day! Every class had a fantastic time learning new skills, playing together, and working with visiting coaches. The energy, teamwork, and enthusiasm shown by all was brilliant—thank you to everyone who made the day such a success.

In realising the possible so that all children can flourish
