Forde	95%
Courtenay	97%
Templar	98% Well done

This week's whole school attendance: 96.5%

Last week's whole school attendance: 96.4%

RAG Rating		98% and above
		96.1%- 97.9%
		96% and below

Our whole school attendance target is 96%

Home Learning

Please continue to read 4 times a week, and log this in the reading journal. Please practise times table facts with your child 3 to 4 times per week.

Dear Parents and Carers,

The children of Courtenay Class have enjoyed another excellent and exciting week, where they have made great progress with their learning.

In Maths, we have just finished our unit about fractions – and the children have gained confidence with using both unit fractions and non-unit fractions to complete reasoning and fluency questions. They are now moving onto a new unit about time, and already their understanding of this is developing nicely.

In RE, we have been discussing the Holy Trinity concept for Christians and how the Baptism of Christ is a central theme to this, as Christians believe that Jesus (God as the Son), God the father and God as the Holy Spirit were all present during this event with John the Baptist.

Star of the Week

Deva is Star of the Week for always setting a great example with her behaviour, effort and focus during lessons.
Well done!

In other subjects, we have been developing our teamwork and communication skills during PE; we have been learning more about the famous explorer Francis Drake during History; and we have been singing 'Blackbird' by the Beatles (as well as other songs by the Beatles) during Music in order to develop our appreciation of song arrangements.

I hope you all have a wonderful weekend.

Mr Morton

MESSAGE FROM MR O'SULLIVAN

We Believe:

We are Stronger Together

We're excited to share the launch of '*All Aboard at ASM*' – our brand new way of celebrating everything that makes our school such a vibrant and exciting place to be. This idea was born from our reflections on all the wonderful things that happen outside the classroom, from trips and visits to themed days, visitors and enrichment activities. It's a chance to showcase the full journey our children go on during their time at All Saints Marsh. Keep your eyes open throughout the Summer Term as we begin to share more about this celebration and how your child's experiences will be highlighted.

We all belong in our School Trust

As the sunshine finally arrives, we are enjoying the beautiful weather and making the most of outdoor learning and play. With the rising temperatures, please ensure that your child comes to school wearing a hat and has had suncream applied before the day begins. A water bottle is also essential to keep everyone hydrated and healthy in the heat. Thank you for helping us to keep the children safe in the sunshine.

In Removing barriers for all

We are thrilled with the response to our Summer Term clubs – it's fantastic to see so many children getting involved! Our KS1 Cooking, KS2 Cooking, and KS2 Cricket and Rounders clubs have been oversubscribed, showing just how enthusiastic the children are about exploring new skills and staying active. For those who didn't get a place this time, don't worry – we'll be offering even more clubs in Summer Term 2, so there will be more chances to get involved very soon.

In realising the possible so that all children can flourish

CLUB OFFERS:

Finally, we want to take a moment to celebrate the bravery and confidence of the children who have taken part in public speaking during our assemblies. Whether sharing a story, reading a prayer, or presenting something they're proud of, we have been blown away by their poise, clarity, and passion. We

can't wait to hear from even more children over the coming weeks – they are all such brilliant ambassadors for our school.

SUMMER 1
